A brand new series of sound-button board books which combines gorgeous illustrations with six high-quality sounds.

An inspiring collection of poems, meditations, and lyrics by one of the world's most revered musical legends Bob Marley's music defined a movement and forever changed a nation. Known worldwide for their message of peace and unity, Marley's songs—from "One Love" to "Redemption Song" to "Three Little Birds"—have touched millions of lives. This collection is the best of Bob Marley presented in three parts: "The Man," giving an in-depth look into the life of Bob Marley; "The Music," comprising his most memorable lyrics as well as links to many of his songs in iTunes; and "The Revolution," containing his meditations on social equality and the Rastafari movement. Enriched with iconic photographs, Listen to Bob Marley provides insight into a reggae legend, the inspirational man behind the music. This ebook features an introduction by daughter Cedella Marley and an illustrated biography of Cedella including rare photographs from her personal collection.

Offers advice on listening to classical music, and discusses major orchestral works

Now in trade paperback: "The definitive guide to musical enjoyment" (Forum). In this fascinating analysis of how to listen to both contemporary and classical music analytically, eminent American composer Aaron Copland offers provocative suggestions that will bring readers a deeper appreciation of the most viscerally rewarding of all art forms.

The Listening Book is about rediscovering the power of listening as an instrument of self-discovery and personal transformation. By exploring our capacity for listening to sounds and for making music, we can awaken and release our full creative powers. Mathieu offers suggestions and encouragement on many aspects of music-making, and provides playful exercises to help readers appreciate the connection between sound, music, and everyday life.

Listen To This If You Love Great Music is a must read for anyone with even a passing interest in music. Featuring 100 of the best albums from the last four decades, clashmusic.com? editor Robin Murray shares his passion for exceptional music and offers insightful takes on what elevates these records above the competition. Robin steers clear of the usual classics – The Beatles and The Clash, for example – and instead goes deep into his record collection to pull out the albums he considers the greatest ever. For each, a solid case is made for why it represents a watershed moment in music history, outlining the story behind the record and critiquing what constitutes a classic. Uniquely curated to offer a fresh perspective on the last 40-plus years of music, find politically charged rock brushing shoulders with dub-infused electronica, progressive pop and dreamy shoegaze shaken awake by ear-drum rattling grime and house music. Whether it's bass-heavy hip-hop from Nas that inspired a thousand MCs to pick up a mic or experimental indie dance from LCD Soundsystem that blurred genres and tempted musicians to trade in their guitars for synthesizers, this is an essential rundown of the albums that really matter. You need to play them loud.

A captivating series of board books with amazing real-life sounds!

Crafting smash hits with Van Halen, The Doobie Brothers, Nicolette Larson, and Van Morrison, legendary music producer Ted Templeman changed the course of rock history This autobiography (as told to Greg Renoff) recounts Templeman's remarkable life from child jazz phenom in Santa Cruz, California, in the 1950s to Grammy-winning music executive during the '70s and '80s. Along the way, Ted details his late '60s stint as an unlikely star with the sunshine pop outfit Harpers Bizarre and his grind-it-out days as a Warner Bros. tape listener, including the life-altering moment that launched his career as a producer: his discovery of the Doobie Brothers. Ted Templeman: A Platinum Producer's Life in Music takes us into the studio sessions of No. 1 hits like "Black Water" by the Doobie Brothers and "Jump" by Van Halen, as Ted recounts memories and the behind-the-scene dramas that engulfed both massively successful acts. Throughout, Ted also reveals the inner workings of his professional and personal relationships with some of the most talented and successful recording artists in history, including Steven Tyler and Joe Perry of Aerosmith, Eric Clapton, Lowell George, Sammy Hagar, Linda Ronstadt, David Lee Roth, and Carly Simon.
