Ram Karan works for the New Delhi school system but supports his widowed daughter and granddaughter by taking bribes for a small time Congress party boss, until his involvement in a terrifying political campaign could cost him his life. A first novel.

Ram Karan works for the New Delhi school system but supports his widowed daughter and granddaughter by taking bribes for a small time Congress party boss, until his involvement in a political campaign could cost him his life.

Finally joining their father in America, Ajay and Birju enjoy their new, extraordinary life until tragedy strikes, leaving one brother incapacitated and the other practically orphaned in this strange land in the second novel from the author of *An Obedient Father*. 30,000 first printing.

Corrosive, funny, and frightening—one of the year’s most absorbing first novels “My general incompetence and laziness at work had been apparent for so long that I now think it was arrogant of Mr. Gupta to pick me as his money man. I am the type of person who does not make sure that a file includes all the pages it must have or that the pages are in the right order. I refuse to accept even properly placed blame, lying outright that somebody else misplaced the completed forms or spilled tea on them, even though I was the last one to sign them out, or had the soggy papers still on my desk.” As an inspector for the Physical Education Department in the Delhi school system, Ram Karan supports his widowed daughter and eight-year-old granddaughter by collecting bribes for a small-time Congress Party boss. On the eve of Rajiv Gandhi’s assassination, one reckless act bares the lifetime of violence and sexual shame behind Ram’s dingy public career and involves him in a farcical, but terrifying, political campaign that could cost him his life. An astonishing character study, a portrait of a family—and a country—tormented by the past, Akhil Sharma’s *An Obedient Father* recalls Dostoyevsky’s guilt-ridden anti-heroes in this fully formed debut novel.

A Life of Adventure and Delight delivers eight masterful stories from dazzlingly original and critically acclaimed author Akhil Sharma. Hailed as a storyteller whose fiction is “ a glowing work of art ” (Wall Street Journal), Akhil Sharma is possessed of a narrative voice “ as hypnotic as those found in the pages of Dostoyevsky ” (The Nation). In *A Life of Adventure and Delight*, Sharma delivers eight masterful stories that focus on Indian protagonists at home and abroad and that plunge the reader into the unpredictable workings of the human heart. A young woman in an arranged marriage awakens one day surprised to find herself in love with her husband. A retired divorcee tries to become the perfect partner by reading women ’s magazines. A man ’s longstanding contempt for his cousin suddenly shifts inward when he witnesses his cousin caring for a sick woman. Tender and darkly comic, the protagonists in *A Life of Adventure and Delight* deceive themselves and engage in odd behaviors as they navigate how to be good, how to make meaningful relationships, and the strengths and pitfalls of self-interest. Elegantly written and emotionally immediate, the stories provide an intimate, honest assessment of human relationships between mothers and sons, sons and lovers, and husband and wives from a dazzlingly original, critically acclaimed writer.

New York Times bestselling author of *The Prodigal Prophet* Timothy Keller explores how people are changed by meeting Jesus personally—and how we can be changed encountering him today. The people who met Jesus Christ in person faced the same big life questions we face today. Like most of us, the answers handed down to them didn ’t seem to work in the real world. But when they met Jesus, things immediately started to change for them. It seems he not only had the answers—he was the answer. In *Encounters with Jesus*, Timothy Keller shows how the central events and meetings in Jesus ’ life can change our own lives forever. “Keller’s work belongs on the bookshelf of every serious Bible student.” —Examiner “Keller has mined the gold from these texts of Scripture, and any Christian is bound to have their minds expanded and hearts stirred.” —Grace for Sinners

For many years, best-selling author Michael Phillips assumed he clearly understood the life of Jesus. Though Jesus was in truth his Savior, and even his Lord, Phillips felt challenged to understand more of the remarkable life lived two thousand years ago in Palestine. Then came a crisis in his spiritual pilgrimage when circumstances forced him to open the book of his life in a new way, and delve more deeply into the fundamental why of Jesus’ life. Challenged to discover the New Testament imperative for his life, Phillips takes a fresh look at the Bible to find out what is the essence, the foundation, of spirituality. Boiled down. The raw reality of the gospel. No frills. No excess baggage. No trite little phrases learned in Sunday school or youth group. He discovers a key that gives validity to an entire life’s purpose and perspective as a Christian for right now. Not in some grandiose, far-reaching way . . . but the link between belief and practice, between eternity and now, between Christianity as a world religion, and Christianity as a practical guidebook for going about the business of life in the trenches. For if ever a man walked in harmony between ultimate purpose and the next five minutes, that man was Jesus Christ. And that key to Jesus’ life was obedience.

Present Day: Ellie is a young woman who is content with the life she lives. She ’s grateful for what she ’s been able to accomplish so far, since it allows her some economic stability and lets her help her little sister pay for college. She ’s not interested in love, because she saw at a young age what giving her heart away can do to a woman. Her mother was made miserable by her father, a man she loved with all her heart who wound up destroying her. But destiny has a surprise prepared for her, and when she least expects it, she finds herself arriving in an era not her own, in the house of a man she has never seen in her life, with a gruff, bossy personality. All she has with her is a letter in her hands directed to him, informing him that she is the mail-order bride he ’d written for some months earlier. 1880: Phillip is a respectable, hard-working, and very handsome man who lives alone and feels the need for a wife. A woman to take care of him and his house, who is obedient and does what he tells her to. Someone strong, who can give him healthy children and not go running at the first difficulty. When he realizes that this skinny woman in strange clothing is the bride they sent him, he is furious and wants to send her away, back to her city, but something in her touches his heart and makes him change his mind. Maybe with a little instruction she can grow to be the kind of woman he ’s looking for, but what worries him most is that she seems to be a bit wrong in the head; she keeps saying that she ’s from the future. Ellie just wants to get out of there, and Phillip just wants an obedient wife. What will come out of this mess?

Grammy Award winner Michael W. Smith’s *The Way of the Father* offers a deeply personal reflection on his father Paul Smith’s legacy and its profound effect on every area of his life. Through the life and lens of his earthly dad, the multi-platinum selling Christian artist gives glimpses of a Father in Heaven that anyone can approach and experience. Michael W. Smith, multi-platinum artist, celebrated songwriter, producer, best-selling author, and acclaimed actor, himself a father of five adult children and grandfather of sixteen, calls upon his humble experiences of growing up in a small West Virginia town to share his father’s story. Each chapter identifies a quality and characteristic of his dad that came out of an obedient and sacrificial life, committed to serving his Abba Father, including: Finding truth in tragedy Loving unconditionally Persevering through pain Bringing righteousness to the world Influencing and inspiring generations Discovering identity and approval in Christ Paul Smith was a familiar face in the crowd at Michael W. Smith’s concerts over the years. A kind and joyful man who would sing, dance, and worship to the singer’s countless number one hits, with his countenance beaming brighter than the spotlights on the stage, Paul would often introduce himself to those nearby and talk about how proud he was of his son. From the artist’s early days as a struggling musician in Nashville to his death in 2015 (the year his son’s album sales surpassed 15 million), Paul was always Michael’s biggest fan. Michael shares how his dad inspired and encouraged him using biblical principles and virtues. Now, Michael passes on these same truths through stories, testimonies, origins of songs, and personal insights from his family life and thirty-five plus years of touring as a Christian artist. He hopes that by sharing his father’s legacy, readers will come to find that no matter who our earthly parents have been in our lives, our Abba Father will never fail us. *The Way of the Father* will likewise challenge readers in their faith journeys so they will one day hear, “Well done, good and faithful servant. You have fought the good fight, run the race, and have been found faithful”—just like Paul Smith heard on the day he was called home to be with his Father.

A young woman in an arranged marriage awakens one day, surprised to find herself in love with her husband. A retired divorcee tries to become the perfect partner by reading women’s magazines. A man’s long-standing contempt for his cousin suddenly shifts inward when he witnesses his cousin caring for a sick woman. In this tender and darkly comic collection, the protagonists deceive themselves and engage in odd behaviors as they navigate how to be good, how to make meaningful relationships, and the strengths and pitfalls of self-interest. From a dazzlingly original, critically acclaimed writer, these stories—elegantly written and emotionally immediate—provide an intimate, honest assessment of human relationships between mothers and sons, sons and lovers, and husbands and wives.
