1.0 out of 5 stars Angels in Sadr City: Poorly written. Reviewed in the United States on May 7, 2012. Verified Purchase. I am still struggling through this book. It arrived from Amazon.com only a few days ago, and I have 20 or 30 pages remaining. While I appreciate that SSG Farina wanted to tell unit's story I am terribly disappointed in this book.

Angels in Sadr City. September 25 at 8:51 AM · Visit the Voting Information Center for official election resources and local updates. Get Voting Information. English (US) Español; Français (France) ??(??)

Angels in Sadr City is an eyewitness account for the deeds of the 4th ID, 1-2 SCR, 1-6 INF, 62nd EOD, C-CO 404th CA, TPO DET 1170, and 237 Engineers during some of the most ferocious fighting that took place during the War in Iraq. The area of Sadr City in which they fought can best be described as the Wild West with no saloons: an untamed city inhabited by 2.5 million people. These men confronted tough obstacles, faced danger and peril, came face to face with fear, and made the ultimate sacrifice to protect their nation. Enduring long battles and exhibiting unwavering leadership, these men defied the odds in combat and adjusted to a lifestyle that can best be described as the frontier and pioneer days of old when minimal equipment was used and creativity reigned supreme. These men are true pioneers of modern day warfare.

Angels in Sadr City Sadr a tribute to the fallen who served in Sadr City. It offers a glimpse for the average American of what happened with one unit in particular on the squad level during the historic Battle of Sadr City (2008) during The Surge. This personal memoir includes the collaborative effort of several other eyewitnesses who can also testify to these events.

ForeverVerse tells a tale of triumph, sorrow, loss, hope, faith, and most importantly, love. Traveling across hostile terrain, Samuel takes evil head on with the help of a few trusted allies. But in the end, one little girl controls the fate of the universe. Ultimately, Samuel faces his true fears when he gives everything he has for love.

Don't be that tourist that only sees the typical touristy attractions when you visit Hollywood. Let this guide help you avoid "tourist problems" and show you what it's truly like to be a Hollywood local, living the dream amongst the glitz and the glamour. You'll get an inside scoop on the different parts of Hollywood (yes, there is much more than just Hollywood Blvd.) including touristy things to do, non-touristy things to do, where to stay, what to wear, and many more insider tips. We can spot a tourist from a mile away, so don't have Hollywood Tourist Problems!

Robin "Birdy" Perry, a new army recruit from Harlem, isn't quite sure why he joined the army, but he's sure where he's headed: Iraq. Birdy and the others in the Civilian Affairs Battalion are

supposed to help secure and stabilize the country and successfully interact with the Iraqi people. Officially, the code name for their maneuvers is Operation Iraqi Freedom. But the young men and women in the CA unit have a simpler name for it: WAR

The #1 New York Times bestselling memoir of U.S. Navy SEAL Chris Kyle, and the source for Clint Eastwood's blockbuster movie which was nominated for six academy awards, including best picture. From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

A Pulitzer Prize-winning reporter for the Los Angeles Times discusses the hundreds of murders that occur in the city each year, and focuses on the story of the dedicated group of detectives who pursue justice at any cost in the killing of Bryant Tennale.

From the Foreword: This volume focuses on that second and longer campaign. But rather than a narrative of the overall course of the conflict, it provides a soldier's-eye view of the war by focusing on detailed accounts of selected engagements. Each illustrates the everyday challenges that America's soldiers faced in a difficult struggle against an inventive and often elusive enemy. Weapons, doctrine, and procedures developed to fight a conventional campaign against a similar opposing force had to be adapted to fit a different type of conflict. The U.S. Army's combat and support forces brought both resourcefulness and resilience to this task while continuing to demonstrate the same courage shown by previous generations fighting the nation's battles. These stories not only symbolize the tip of the spear formed by units in contact, but they also represent the contributions of all American men and women who have served their country in Operation Iraqi Freedom. Taken together, these accounts will provide our deploying leaders and soldiers a better understanding of the environment that they will encounter and prepare them for the work that must be done.

In an extraordinary montage of facts, sound-bites and testimonies, Weinberger assembles an uncompromising and blackly comic narrative which permits the voices of war to speak for themselves, and allows the protagonists and the apologists to damn themselves in their own words.

'Sound Targets' explores the role of music in American military culture, focusing on the experiences of soldiers returning from active service in Iraq. Pieslak describes how American soldiers hear, share, use & produce music, both on & off duty.
