McConnell/Brue/Flynn has long set the standard for providing high-quality content to instructors and students all over the world. It has remained the most widely used principles of economics product as a result of persistent innovation. The 19th edition brought adaptive technology to the market for the first time with LearnSmart, a resource that ensures that every minute a student spends studying is the most efficient and productive time possible. Feedback from users in combination with the analysis of student performance data from the 19th edition's digital products significantly informed the revision of the 20th edition, resulting in a product expertly tailored to the needs of today 's students. With the 20th edition, students and instructors will benefit from a new offering that expands upon the dynamic and superadaptive capabilities of LearnSmart: SmartBook, the first and only adaptive eBook. McConnell/Brue/Flynn's tradition of innovation continues with the 20th edition, providing market-leading content and digital mastery to benefit today's learners. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

McConnell/Brue/Flynn has long set the standard for providing high-quality content to instructors and students alike. Known for versatility, comprehensiveness, and persistent innovation, it has remained one of the most trusted and reliable choices for principles of economics courses. The 21st edition continues to benefit from author Sean Flynn's influence with new discussion on strategic behavior, game theory, unconventional monetary policy and interest rate normalization. A robust set of content designed to facilitate classroom engagement through peer instruction has been developed to align with the learning objectives in the text. New innovations like interactive graphs and videos combine with Smartbook's adaptive reading experience and even more algorithmic and graphing assessment content in Connect to help students success in the course. McConnell/Brue/Flynn is expertly tailored to support a variety of course formats, institutions, and students. Its depth of content and breath of resources continue to be unparalleled in the introductory market.

McConnell-Brue 's Economics 15 is the best-selling textbook and has been teaching students in a clear, unbiased way for 40 years. The 14th edition grew market share because of its clear and careful treatment of principles of economics concepts, its balanced coverage, and its patient explanations. More students have learned their principles of Economics from McConnell-Brue than any other text 12 million of them. The 15th edition is a substantial revision that delivers a tighter, modern, Internet-savvy book.ook.ok.

Principles of Microeconomics for AP(R) Courses covers scope and sequence requirements for an Advanced Placement(R) microeconomics course and is listed on the College Board's AP(R) example textbook list.
