Barron's brand new AP Q&A World History features 600 questions and explanations covering all AP World History concepts. Practice includes all exam question types so students can apply the skills they learned in class, and answer explanations help students review and understand the content. AP Q&A World History doesn't just explain why an answer is correct—students will learn the rationale behind why each other answer choice is incorrect, helping them understand the key concepts and how to apply them on exam day. Practice questions and comprehensive explanations help students review history from the foundations of civilization circa. 600 B.C.E. to world cultures of the twenty-first century. AP Q&A World History is specifically created to help students hone critical thinking skills and practice with all AP-style question types, such as multiple-choice, numeric response, and short and long free-response questions. Looking for in-depth content review along with realistic practice tests? Try Barron's AP World History with Online Tests for even more prep.
