A weapon designed to decimate the Roman Empire has just become the No.1 threat to the United States. Caught live on Al Jazeera in an off-the-books operation, Scot Harvath's career has been terminated. But when the tide in the War on Terror suddenly turns against the US, the president has no choice but to secretly enlist the help of the man the administration has just fired. Ducking a congressional subpoena, Harvath travels to the Mediterranean, where he learns of a shadowy organization that has been combing the earth for decades in search of the ultimate weapon to use against the USA and her allies. Now, after three summers of record-breaking heat across Europe, one steadily melting Alpine glacier has given up an ancient secret - one with the potential to thrust civilization back into the Dark Ages. From Cyprus, London and Paris, to Italy, Switzerland and Saudi Arabia, Harvath must race against the clock to stop one of the greatest evils ever to face the western world. When a lethal, unidentified illness with a suspicious source begins working its way through the United States and Europe, Navy SEAL-turned-Homeland Security operative Scot Harvath teams up with a mysterious British counterpart to find out who is responsible. By the author of State of the Union. Reprint.

A weapon designed to decimate the Roman Empire has just become the number one threat to the United States. From the national bestselling author of The Lions of Lucerne, Path of the Assassin, and State of the Union comes the most gripping international thriller yet featuring Navy SEAL turned covert counterterrorism agent Scot Harvath. "Scot Harvath is the perfect all-American hero for the post-September 11th world." -- Nelson DeMille

When a mystery thousands of years in the making threatens to catapult the enemies of America to a sure and decisive victory, the only person the president can call for help is the man the administration has just fired. Caught live on Al Jazeera in an off-the-books operation, Scot Harvath's career has been terminated and he is forced to go to ground as the president bows to pressure from a ruthless senator with her sights set on the White House. But when the tide in the war on terror suddenly turns against the U.S., the president has no choice but to secretly bring Harvath back inside. Ducking a congressional subpoena, Harvath travels to the Mediterranean, where he learns of a shadowy organization that has been combing the earth for decades in search of the ultimate weapon to use against the United States and her allies. Now, after three summers of record-setting heat across present-day Europe, one steadily melting Alpine glacier has given up an ancient secret--one with the potential to thrust civilization back into the Dark Ages. Cyprus, London, and Paris, to Italy, Switzerland, and Saudi Arabia, Harvath must race against the clock to stop one of the greatest evils ever to face the United States. With his characteristic high-voltage action, sweeping international locales, and meticulous research, Brad Thor has created another supercharged novel that is sure to thrill.

America has just unwittingly drawn the world's deadliest enemy to its doorstep. After years without a terrorist attack on American soil, one group has picked the 4th July weekend to pull out all the stops. In a perfectly executed attack, all the bridges and tunnels leading into and out of Manhattan are destroyed just as thousands of commuters begin their holiday exodus. With domestic efforts focused on search and rescue, a deadly team of highly-trained foreign soldiers methodically makes its way through the city with the sole objective of locating one of their own - a man so powerful that America will do anything to keep him hidden. Scot Harvath is now the USA's only hope. Fighting his way through the burning streets of Manhattan, he must mount his own operation to locate a man the US government refuses to admit even exists . . .

When a media titan's daughter is kidnapped in Afghanistan and offered in exchange for the freedom of a top Al Qaeda operative, Navy SEAL turned covert Homeland Security operative Scot Harvath undertakes a dangerous mission to free the terrorist from a Kabul prison only to discover that things are not what they seem. Reprint. 1 million first printing. A best-selling book.

Switzerland, and with the ambitious Claudia Muehler of the Swiss Federal Attorney's Office to assist him, the pair are forced to go it alone as they realise the kidnapping plot reaches some of the highest levels of the Swiss Intelligence community. In a race against time, they must scale the treacherous heights of Mt. Pilatus, uncover a hidden military fortress secreted beneath its peak, and defeat the formidable force that stands between them and the safe return of the president - the deadly men known as the Lions of Lucerne. After rescuing the president from kidnappers, Navy SEAL turned Secret Service agent Scot Harvath shifts his attention to rooting out, capturing, or killing all those responsible for the plot. As he prepares to close out his list, a bloody and twisted trail of clues points toward one man - the world's most feared, most ruthless terrorist, Hashim Nidal. Only one person can positively identify Harvath's quarry - Meg Cassidy, a beautiful hijacking survivor. Together, Scot and Meg must untangle a maddening web of global intrigue stretching across four continents. Written with an uncanny knowledge of the spy's craft and the world's distant places, PATH OF THE ASSASSIN proves why Brad Thor is the author everyone's talking about. international thriller featuring all-American hero Scot Harvath, as he plunges into the frigid heart of the Russian tundra to save the fragile state of the union. On a cold January morning, the United States awakes to discover that an old enemy, one long believed dead and buried, has crawled out of its grave to lay siege to the world's only superpower. With the stunning discovery that enhanced Soviet-made suitcase nukes have been secreted in America's major cities, President Jack Rutledge gathers his National Security Council to weigh the feasibility of a first strike against the Russian Federation. There's only one problem. For over two decades, the Russians have been funnelling international aid money into a top secret air defence system, which has just been brought on-line and which will render any conventional attack upon their country utterly ineffective. After exhausting all of his other options, and with Soviet sleeper agents preparing to detonate their deadly payloads across the United States, the president turns to the nation's final hope, ex-Navy SEAL and Secret Service Agent Scot Harvath. As high-voltage and timely as they come, STATE OF THE UNION is a frighteningly real, headline-ripping tale of espionage and intrigue that will keep readers guessing until the last tantalizing piece of the puzzle locks into place.

Brad Thor. The world ' s largest bounty has just been placed upon America ' s top spy. His only hope for survival is to outwit, outrun, and outlast his enemies long enough to get to the truth. But for Scot Harvath to accomplish his most dangerous mission ever—one that has already claimed the lives of the people closest to him, including his new wife—he ' s going to need help—a lot of it. Not knowing whom he can trust, Harvath finds an unlikely ally in Norwegian intelligence operative Sølvi Kolstad. Just as smart, just as deadly, and just as determined, she not only has the skills, but also the broken, troubled past to match Harvath ' s own.
