## **9780394418193 - BULLET PARK by John Cheever**

For long stretches, "Bullet Park" tells highly abstract stories, such as Hammer's quest for the calming yellow room. These sections are odd but riveting, achieving emotional truth in a flat dreamy landscape. At other times, the book tells stories of dated exaggeration, such as the French teacher's hysterical reaction to Tony Nailles.

names in Cheever's sharp and funny hymn to the dubious normality of the American suburbs.

Stunning and brutally powerful, Falconer tells the story of a man named Farragut, his crime and punishment, and his struggle to remain a man in a universe bent on beating him back into childhood. Only John Cheever could deliver these grand themes with the irony, unforced eloquence, and exhilarating humor that make Falconer such a triumphant work of the moral imagination.

Winner of the National Book Award, *The Wapshot Chronicle* is John Cheever's classic novel about one eccentric New England family. The Wapshots have called the quintessential Massachusetts fishing

village of St. Botolphs home for eons, but now it is time for the next generation—brothers Moses and Coverly—to go out and see the world. Moses heads to New York City and, eventually, a remote island in the South Pacific, while his brother travels south to Washington, D.C., and a job “so secret that it can’t be discussed here.” Meanwhile, back in St. Botolphs, their father, Captain Leander, clashes with his fearsome Cousin Honora, who controls the family purse strings. By turns tragic and deeply funny, *The Wapshot Chronicle* is a masterful work of fiction—inspired by Cheever’s own adolescence—about one very odd family.

NATIONAL BESTSELLER Winner of the Pulitzer Prize Winner of the

National Book Award Winner of the National Book Critics Circle Award, *The Stories of John Cheever* is a seminal collection from one of the true masters of the short story. Spanning the duration of Cheever's long and distinguished career, these sixty-one stories chronicle and encapsulate the lives of what has been called "the greatest generation." From the early wonder and disillusionment of city life in "The Enormous Radio" to the surprising discoveries and common mysteries of suburbia in "The Housebreaker of Shady Hill" and "The Swimmer," these are tales that have helped define the form. Featuring a preface by the author, *The Stories of John Cheever* brings together some of the finest short stories ever written.

Published to coincide with editor Blake

Bailey's groundbreaking new biography, here are the five novels of John Cheever, together in one volume for the first time. In these dazzling works Cheever laid bare the failings and foibles of not just the ascendant postwar elite but also the fallen Yankee aristocrats who stubbornly and often grotesquely and hilariously cling to their shabby gentility as the last vestige of former glory. Complete Novels gathers: the riotous family saga *The Wapshot Chronicle* (winner of the National Book Award) and its sequel *The Wapshot Scandal* (winner of the William Dean Howells Medal); the dark suburban drama *Bullet Park* ("a magnificent work of fiction," John Gardner remarked in *The New York Times Book Review*); the prison novel *Falconer*, a radical departure that met with both critical and popular acclaim;

and the lyrical ecological fable Oh What a Paradise It Seems. A companion volume, *Collected Stories and Other Writings*, is the largest edition of Cheever's stories ever. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

The Library of America presents this

definitive collection of Cheever's novels: "The Wapshot Chronicle, The Wapshot Scandal, Bullet Park, Falconer," and "Oh What a Paradise It Seems."

In *Home Before Dark*, Susan Cheever, daughter of the famously talented writer John Cheever, uses previously unpublished letters, journals, and her own precious memories to create a candid and insightful tribute to her father. While producing some of the most beloved and celebrated American literature of this century, John Cheever wrestled with personal demons that deeply affected his family life as well as his career. In this poignant memoir of a man driven by boundless genius and ambition, Susan Cheever writes with heartwrenching honesty of family life with the father,

# Download Free Bullet Park Hardcover By John

the writer, and the remarkable man she loved.

In this collection of thirty interviews compiled by John Cheever's biographer Cheever moves from gentlemanly reticence in the early pieces to forthright commentary upon a variety of subjects in the later ones. This admirably articulate author of *The Wapshot Scandal*, *Bullet Park*, *Falconer*, and many *New Yorker* stories gives answers that are satisfying to the curious, though the expression of his views is very much under his control. Cheever, the conversationalist, like his fiction, is always casually in good form, always respected for his expression and his art. For most of his fifty-year career Cheever was unusually reticent about himself. He used to say he had no

## Download Free Bullet Park Hardcover By John

public image and no wish to cultivate one. When curious reporters invaded his suburban bailiwick in Westchester, he evaded their questions by taking them on hikes in their best clothes or trying to get them drunk. A remarkable change occurred in Cheever in the spring of 1975 when he stopped drinking. With his release from alcohol came renewed energy and a revived sense of the importance of his work and of the audience he was addressing. Now Cheever became almost shockingly open in talking with fellow writers, with professional interviewers of magazines, newspapers, radio, and television, and with just about anyone who asked for an hour of his time. Now he spoke enthusiastically about the process and purpose of his writing and about the details of his private life. In these later

## Download Free Bullet Park Hardcover By John

**Interviews** Cheever shucked of his Yankee reserve and spoke with candor about his alcoholism, his marriage and even his sexual orientation. Reporters drew him out on virtually every subject under the sun, including religion ("I go to church because prayer seems to contain certain levels of gratitude and aspiration that I know no other way of expressing") and politics. He defended the suburbs, his literary milieu, against the usual charges of conformity and boredom. By the standards of sheer variety and scope of subject matter, it is hard to conceive of more interesting interviews than those Cheever gave in the back, he had something to say, and he said it with the grace and wit of the born storyteller.

Luminous, passionate, expansive, an
