For courses in 1- and 2-semester Anatomy & Physiology Simplify your Study of Anatomy & Physiology. Combining a wide range and variety of engaging coloring activities, exercises, and self-assessments into an all-in-one Study Guide, the Anatomy and Physiology Coloring Workbook helps you simplify your study of A&P. Featuring contributions from new co-author Simone Brito, the 12th edition of this best-selling guide continues to reinforce the fundamentals of anatomy and physiology through a variety of unique, interactive activities. You now benefit from new crossword puzzles in each chapter, along with dozens of strengthened and expanded exercises, illustrations, and over 100 coloring exercises. Additional self-assessments, "At The Clinic" short answer questions, and unique "Incredible Journey" visualization exercises, further reinforce basic concepts that are relevant to health care careers.

Traveling to the New World in 1606 as the page to Captain John Smith, twelve-year-old orphan Samuel Collier settles in the new colony of James Town, where he must quickly learn to distinguish between friend and foe. Reprint.

Born into a life of privilege, Jeremy Stroeb loves freedom, loathes responsibility and drops out of college to start backpacking across Europe. But this free-spirited drifter crashes back to brutal reality when his parents, Rachel and Daniel Stroeb, are murdered in their home on Miami Beach. When he returns to Miami, Jeremy assumes guardianship of his teenage sister, Elise, who is traumatized and convinced the killer will be back for her. With steely, urgent resolve, Jeremy vows to find out what really happened to Rachel Stroeb, the respected CPA and Daniel Stroeb, the controversial professor. Determined to get on the inside of his parents' lives, Jeremy takes a job at the accounting firm where his mother worked, and enrolls at the university where his father taught. But too many details don't add up. With mounting certainty that his parents were anything but the people he thought they were, Jeremy must face the toughest questions of all. Who were Rachel and Daniel Stroeb? And when will the killer be back for the next of kin?

It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight—the fight to stay alive.

As an incredibly engaging study guide that can be used either independently or in conjunction with any A&P book, the Anatomy and Physiology Coloring Workbook helps you get the most out of your A&P classes. Dr. Elaine Marieb thoughtfully crafted the text to include a wide range of coloring activities and self-assessments. Each step you take leads you into an amazing world where they can learn more about anatomical structures and physiological functions.

A Comprehensive Foundational Text for a Rapidly-Growing Field In a world heavily influenced by popular forensic television dramas, the real-life duties and complexities involved in crime scene investigation are often misrepresented and misunderstood. An Introduction to Crime Scene Investigation, Second Edition is a comprehensive and accurate overview of the practical application of forensic science in crime scene investigation. Focusing on the day-to-day aspects, the text describes the methodologies and technologies employed by crime scene personnel, and pushes the reader to identify the interrelated components of the investigative process. Recognizing the importance of those who have contributed to and advanced the field of forensic science, the reader is introduced to crime scene investigation through a historical perspective. The thoroughly revised and updated second edition covers components not typically found in many crime scene texts, including ethical considerations and public misconceptions of the investigative process—the so-called “CSI Effect.” Extensive discussion of physical evidence examination and analysis is provided, including the forensic potential of physical evidence, crime scene procedures, and what evidence should be documented, collected, and preserved. Real-life examples and detailed figures enhance comprehension and demonstrate specific strategies for technique application. An Introduction to Crime Scene Investigation, Second Edition is an invaluable reference and essential educational resource. Key features of the revised and updated second edition include: • All-new figures and material expansions of each chapter, with updated content on changes in the law, current events, and shifts in the industry • New “View From An Expert” sections that provide insight and analysis from experts from around the country • Full-color illustrations • Learning objectives, key terms, references, and review questions for each chapter • “Ripped from the Headlines” current event examples in each chapter • Real-life case scenarios and summations to increase comprehension of content

With a murderous beast on her heels and a conniving daemon who wants to use her for his own means, Tora Hayden's main objective is to keep herself and those she cares about alive. After meeting an enigmatic businessman who possibly suffers from florid psychosis, Tora is propelled into the world of the supernatural. She's forced to believe the mythical world exists when she's brutally attacked by a savage fiend intent on annihilating her family line for reasons unbeknownst to her. With the assistance of the psychotic businessman, along with a gorgeous manwhore whom Tora swore to never date but ends up doing just that, she discovers her seventy-years-dead great-grandmother was actually an otherworldly warrioress. In an effort to beat the murderous beast at its own game, Tora chooses to take on her deceased great-grandmother's powers to gain immortality and supernatural strength. During the transfer of powers, something goes wrong: she unwittingly releases a daemon who's been cursed to his own realm for enslaving the fiend and working towards enslaving all factions. Now, she not only has a murderous beast on her heels but a conniving daemon who's loose and wants to use her for his own means.

A rogue reaper who lives by her rules. Three alpha Enforcers determined she obeys theirs. Chantel never asked to be a reaper and she sure as hell isn't taking the virtuous or young before their time. When it comes to dirtbags... that's another story. Whether they're ready or not, she has them on her radar for extermination. Rogue reaping suits her just fine. Rydan, Kahl, and Huntir don't see her crimes that way. As Enforcers tasked with keeping order in the para world, she's set for reeducation in their lair. Their goal? To ensure her obedience to their commands while making her submissive to their carnal needs. Yeah, right. They may be sexier than sin, but these bad boys won't break her, ever. Bring on the interrogations, indoctrination, and BDSM, the more hardcore the better. This is a battle of the sexes they'll all win. This is book one in The Enforcers series and can be enjoyed independently. Publisher's Note: This dark, paranormal reverse harem romance is intended for adults only. It contains elements of danger, suspense, adventure, power exchange and sensual scenes. If any of these offend you, please do not purchase.

In the second book of Django Wexler's epic fantasy trilogy about two siblings divided by magic and revolution, Gyre must travel across the Splinter Kingdoms to rally the rebels to his side, while his sister Maya uncovers the secrets of a powerful artifact that could change everything. Gyre finally sees a way to overthrow the all-powerful Twilight Order. But he'll have to gain the alliance of both the ghouls and the human rebels to the south in order to even stand have a chance. And uniting them won't be so simple. His sister Maya is still a soldier of the Order. But after clashing with her brother, she isn't so certain where her loyalties lie. Chasing the origins of a mysterious artifact to a long-lost library, she just might find the answers she's looking for. Burning Blade & Silver Eye Ashes of the Sun Blood of the Chosen "Fantasy at its finest." -Nicholas Eames, on Ashes of the Sun
