Bernard M. Baruch - one of the most remarkable men of our time - was an office boy at nineteen, a Wall Street partner at twenty-five, and a millionaire before he was thirty-five. For some men this success would mark the climax of a career; for Baruch it was only the beginning of a still greater one. In the fifty years since he made his first fortune, Bernard Baruch has been a trusted counselor of Presidents, an adviser on social and economic reforms, a statesman who has worked with two political parties and won the respect of both. In this, the first volume of his memoirs, Mr. Baruch analyzes his personal philosophy and shows how it helped him solve the many problems that confronted him in his public life as chairman of the War Industries Board during World War I and as United States representative on the United Nations

children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.
