Europe is waking up to the challenge of technology and innovation. We see EU commitment to spend 3% of GDP on R&D, but who is thinking about how to spend? Who is thinking about technology management? Does the corporate board have the means to

Download File

PDF Citroen

manage this spend?

Should some percentage of the R&D be spent on improving technology and innovation management? This is where this book makes a contribution. It brings together the latest practice, research findings
