• Strictly as per the NCERT and CBSE Curriculum • Typology of questions includes MCQs ,VSA, SA, & LA • Includes Hots and value Based Questions

Maths Ladder comprises of eight practice books of Mental Maths for classes 1 to 8. This series will help the students acquire the requisite computational skills as well as retain these skills even in later years after passing out of school. To achieve proficiency in a subject like Mathematics, it is extremely important for a student to get sufficient practice, so as to understand and apply the various concepts he/she learns

The book 'International Mathematics Olympiad' has been divided into five sections namely Mathematics, Logical Reasoning, Achievers section, Subjective section, and Model Papers. In every chapter, the theory has been explained through solved examples, illustrations and diagrams wherever required. To enhance the problem solving skills of candidates Multiple Choice Questions (MCQs) with detailed solutions are provided in the end of each chapter. The questions in the Achievers' section are set to evaluate the mathematical skills of brilliant students while the subjective section includes questions of descriptive nature. Two Model Papers have been included for practice purpose. A CD containing Study Chart for systematic preparation, Tips & Tricks to crack Maths Olympiad, Pattern of exam, and links of Previous Years Papers is accompanied with this book. #v&spublishers

The Memoirs of Sherlock Holmes is a collection of Sherlock Holmes stories, originally published in 1894, by Arthur Conan Doyle.

Maths Now is a series of eight books for classes 1 to 8 based on the NCERT syllabus. The series follows an activity-oriented approach to make mathematics engaging for students through emphasizing connections between mathematics and day-to-day experiences.

The NCERT Mathematics Practice Books for classes 1 to 8 are designed to provide additional practice to the users of the NCERT Mathematics Textbooks as well as for the general practice of mathematical concepts. These books serve as companions to the NCERT Mathematics Textbooks: Math-Magic for classes 1 to 5 and Mathematics for classes 6 to 8.

• Strictly as per the new term wise syllabus for Board Examinations to be held in the academic session 2021-22 for class 10 • Multiple Choice Questions based on new typologies introduced by the board- I. Stand- Alone MCQs, II. MCQs based on Assertion-Reason III. Case-based MCQs. • Include Questions from CBSE official Question Bank released in April 2021 • Answer key with Explanations
