This new text will build on *Courtroom Skills for Social Workers*, by updating the legal and research content and strengthening the material on recording. There will also be additional contributions from service users and more practice examples, so as to make the book interesting and relevant for qualified social workers. It will assist social workers in meeting their CPD requirements for continuing registration and also offer a framework for short in-service training courses on court skills and recording, both areas in which social workers' performance comes under the scrutiny of other professionals.

Learn reliable techniques to prepare and present effective testimony! “ Soon after leaving graduate school I was thrown to the courtroom wolves with no preparation. No social worker should have to go through that, ” says Janet Vogelsang, author of *The Witness Stand*. Few colleges of social work prepare their students for the inevitable involvement with the courts entailed by their profession. This timely book provides you with a blueprint for presenting yourself as a competent and credible professional in court cases. This indispensable guide tells exactly what happens in court, how to counter common strategies for discrediting your profession, and what to do when your client's attorney is obnoxious. *The Witness Stand* emphasizes the biopsychosocial assessment as the essential tool for a social worker called on to testify in court. Its helpful features include sample forms and affidavits and actual court testimony. The end-of-chapter summaries can be used for rapid review and as a “ to do ” checklist for preparing a court case. *The Witness Stand* offers practical, detailed advice on such matters as: how the legal system works how to handle contacts with attorneys and investigators what to

The first year of practice can be a particularly daunting and challenging time for newly-qualified social workers (NQSWs). This fully revised and updated book directly addresses the crucial transition period between finishing off the social work degree and managing the first years of practice. It offers down to earth, practical guidance on applying for your first post and managing your work load in the first few years. From useful sections on the Assessed and Supported Year in Employment (ASYE), supervision, dealing with conflict, court skills, report writing, and team work to what professionalism actually looks like in practice, this book will throw a life belt to not only NQSWs entering the workplace but for students on qualifying programmes who wish to develop their skills beyond graduation.

This practical guide will help students navigate through all core areas of their course by providing them with a comprehensive introduction to contemporary social work. Written by subject experts, including best-selling Transforming Social Work Practice authors, this essential guide will introduce students to key theory and approaches, helping them to develop and build the skills and knowledge that they will need for practice.

'See You In Court' answers questions frequently asked by social workers in real cases, and gives information on court structures, basic rules of evidence, the roles of those involved in the proceedings, and court etiquette. The process of giving evidence is discussed, including how to deal with cross-examination.
