Day of Infamy by Walter Lord - Goodreads

The #1 New York Times–bestselling account: “There have been many books on Pearl Harbor . . . but none of them have equaled Lord’s” (Stephen E. Ambrose). The Day of Infamy began as a quiet morning on the American naval base at Pearl Harbor. But as Japan’s deadly torpedoes suddenly rained down on the Pacific fleet, soldiers, generals, and civilians alike felt shock, then fear, then rage.

Day of Infamy: The Bombing of Pearl Harbor by Walter Lord ...

Day of Infamy is a fascinating account of that unforgettable day's events. In brilliant detail Walter Lord traces the human drama of the great attack: the spies behind it; the Japanese pilots; the crews on the stricken warships; the men at the airfields and the bases; the Japanese pilot who captured an island single-handedly when he could not get back to his carrier; the generals, the sailors, the housewives, and the children who responded to the attack with anger, numbness, and magnificent ...

Cemetery in Baltimore. His grave is marked by a marble bench listing the books he authored. Publications. Lord published 12 historical works: The Fremantle Diary (1954) (ed.) A Night to Remember (1955) Day of Infamy (1957) The Good Years (1960) A Time to Stand (1961)

The #1 New York Times–bestselling account: “There have been many books on Pearl Harbor . . . but none of them have equaled Lord’s” (Stephen E. Ambrose). The Day of Infamy began as a quiet morning on the American naval base at Pearl Harbor. But as Japan’s deadly torpedoes suddenly rained down on the Pacific fleet, soldiers, generals, and civilians alike felt shock, then fear, then rage. From the chaos, a thousand personal stories of courage emerged. Drawn from hundreds of interviews, letters, and diaries, Walter Lord recounts the many tales of heroism and tragedy by those who experienced the attack firsthand. From the musicians of the USS Nevada who insisted on finishing “The Star Spangled Banner” before taking cover, to the men trapped in the capsized USS Oklahoma who methodically voted on the best means of escape, each story conveys the terror and confusion of the bombing raid, as well as the fortitude of those who survived.

Online Library Day Infamy Lord Walter

Describes the events of December 7, 1941, before, during, and after the Japanese attack on Pearl Harbor, as well as the reactions of the men who lived through the attack.

Full-length accounts of three decisive WWII events—Pearl Harbor, Midway, and the evacuation of Dunkirk—from a #1 New York Times-bestselling author. In May 1940, the remnants of the French and British armies, broken by Hitler's blitzkrieg, retreated to the beach at Dunkirk. Prime Minister Winston Churchill ordered an evacuation on May 26, expecting to save no more than a handful of his men. But Britain would not let its soldiers down. Hundreds of fishing boats, pleasure yachts, and commercial vessels streamed into the Channel to back up the Royal Navy. The Miracle of Dunkirk is a striking history of a week when the fate of Britain—and the World—hung in the balance. On the morning of June 4, 1942, doom sailed on Midway. Hoping to put itself within striking distance of Hawaii and California, the Japanese navy planned an ambush that would obliterate the remnants of the American Pacific fleet. On paper, the Americans had no chance of winning. But because their code breakers knew what was coming, the American navy was able to prepare an ambush of its own. In *Incredible Victory*, Walter Lord recounts two days of savage battle, during which a small American fleet defied the odds and turned the tide of World

War II. December 7, 1941, began as a quiet morning on the American naval base at Pearl Harbor. But as Japan's deadly torpedoes suddenly rained down on the Pacific fleet, soldiers, generals, and civilians alike felt shock, then fear, and then rage. From the chaos, a thousand personal stories of courage emerged. Drawn from hundreds of interviews, letters, and diaries, Walter Lord's Day of Infamy recounts the many tales of heroism and tragedy of those who experienced the attack firsthand. These three acclaimed war chronicles showcase Walter Lord at the top of his game as a narrative nonfiction master.

A document of the events of the attack on Pearl Harbor and people's reaction to it

A special 60th anniversary edition of the bestselling re-creation of the surprise attack on Pearl Harbor, by the author of *A Night to Remember*. Sunday, December 7, 1941, was, as President Roosevelt said, "a date which will live in infamy." *Day of Infamy* is a fascinating account of that unforgettable day's events. In brilliant detail Walter Lord traces the human drama of the great attack: the spies behind it; the Japanese pilots; the crews on the stricken warships; the men at the airfields and the bases; the Japanese pilot who captured an island single-handedly when he could not get back to his carrier; the

Online Library Day Infamy Lord Walter

generals, the sailors, the housewives, and the children who responded to the attack with anger, numbness, and magnificent courage. In piecing together the saga of Pearl Harbor, Lord traveled over fourteen thousand miles and spoke or corresponded with over five hundred individuals who were there. He obtained exclusive interviews with members of the Japanese attacking force and spent hundreds of hours with the Americans who received the blow -- not just the admirals and generals, but enlisted men and families as well. He visited each of the Hawaiian bases attacked and pored over maps, charts, letters, diaries, official files, newspapers, and some twenty-five thousand pages of testimony, discovering a wealth of information that had never before been revealed. Day of Infamy is an inspiring human document and the best account we have of one of the epic events in American history.

A riveting account of America's second war with England, from the #1 New York Times--bestselling author of *The Miracle of Dunkirk*. At the dawn of the nineteenth century, the great powers of Western Europe treated the United States like a disobedient child. Great Britain blocked American trade, seized its vessels, and impressed its sailors to serve in the Royal Navy. America's complaints were ignored, and the humiliation continued until James Madison, the country's fourth

Online Library Day Infamy Lord Walter

president, declared a second war on Great Britain. British forces would descend on the young United States, shattering its armies and burning its capital, but America rallied, and survived the conflict with its sovereignty intact. With stunning detail on land and naval battles, the role Native Americans played in the hostilities, and the larger backdrop of the Napoleonic Wars, this is the story of the turning points of this strange conflict, which inspired Francis Scott Key to write "The Star-Spangled Banner" and led to the Era of Good Feelings that all but erased partisan politics in America for almost a decade. It was in 1812 that America found its identity and first assumed its place on the world stage. By the author of *A Night to Remember*, the classic account of the sinking of the Titanic—which was not only made into a 1958 movie but also led director James Cameron to use Lord as a consultant on his epic 1997 film—as well as acclaimed volumes on Pearl Harbor (*Day of Infamy*) and the Battle of Midway (*Incredible Victory*), this is a fascinating look at an oft-forgotten chapter in American history.

The "remarkable" New York Times bestseller about the battle in the Pacific that turned the tide of World War II—from the author of *The Miracle of Dunkirk* (*Los Angeles Times*). On the morning of June 4, 1942, doom sailed on Midway. Hoping to put itself within striking

Online Library Day Infamy Lord Walter

distance of Hawaii and California, the Japanese navy planned an ambush that would obliterate the remnants of the American Pacific fleet. On paper, the Americans had no chance of winning. They had fewer ships, slower fighters, and almost no battle experience. But because their codebreakers knew what was coming, the American navy was able to prepare an ambush of its own. Over two days of savage battle, American sailors and pilots broke the spine of the Japanese war machine. The United States prevailed against momentous odds; never again did Japan advance. In stunning detail, Walter Lord, the #1 New York Times–bestselling author of *Day of Infamy* and *A Night to Remember*, tells the story of one of the greatest upsets in naval history. “Graphic and realistic . . . not an impersonalized account of moves on the chessboard of war, [but] a story of individual people facing crucial problems.” –The New York Times

The #1 New York Times–bestselling author of *The Miracle of Dunkirk* tells the story of the Texans who fought Santa Anna’s troops at the Battle of the Alamo. Looking out over the walls of the whitewashed Alamo, sweltering in the intense sun of a February heat wave, Colonel William Travis knew his small garrison had little chance of holding back the Mexican army. Even after a call for reinforcements brought dozens of Texans determined to fight for their fledgling republic, the

Online Library Day Infamy Lord Walter

cause remained hopeless. Gunpowder was scarce, food was running out, and the compound was too large to easily defend with less than two hundred soldiers. Still, given the choice, only one man opted to surrender. The rest resolved to fight and die. After thirteen days, the Mexicans charged, and the Texans were slaughtered. In exquisite detail, Walter Lord recreates the fight to uphold the Texan flag. He sheds light not just on frontier celebrities like Jim Bowie and Davy Crockett, but on the ordinary soldiers who died alongside them. Though the fight ended two centuries ago, the men of the Alamo will never be forgotten.

"A Pulitzer Prize-winning reporter chronicles the 12 days leading up to the Japanese attack on Pearl Harbor, examining the miscommunications, clues, missteps and racist assumptions that may have been behind America's failure to safeguard against the tragedy,"--NoveList.

"A valuable reexamination" (Booklist, starred review) of the event that changed twentieth-century America—Pearl Harbor—based on years of research and new information uncovered by a New York Times bestselling author. The America we live in today was born, not on July 4, 1776, but on December 7, 1941, when an armada of 354 Japanese warplanes

Online Library Day Infamy Lord Walter

supported by aircraft carriers, destroyers, and midget submarines suddenly and savagely attacked the United States, killing 2,403 men—and forced America’s entry into World War II. Pearl Harbor: From Infamy to Greatness follows the sailors, soldiers, pilots, diplomats, admirals, generals, emperor, and president as they engineer, fight, and react to this stunningly dramatic moment in world history. Beginning in 1914, bestselling author Craig Nelson maps the road to war, when Franklin D. Roosevelt, then the Assistant Secretary of the Navy, attended the laying of the keel of the USS Arizona at the Brooklyn Navy Yard. Writing with vivid intimacy, Nelson traces Japan’s leaders as they lurch into ultranationalist fascism, which culminates in their scheme to terrify America with one of the boldest attacks ever waged. Within seconds, the country would never be the same. Backed by a research team’s five years of work, as well as Nelson’s thorough re-examination of the original evidence assembled by federal investigators, this page-turning and definitive work “weaves archival research, interviews, and personal experiences from both sides into a blow-by-blow narrative of destruction liberally sprinkled with individual heroism, bizarre escapes, and equally bizarre tragedies” (Kirkus Reviews). Nelson delivers all the terror, chaos, violence, tragedy, and heroism of the attack in stunning detail, and offers surprising conclusions about the tragedy’s unforeseen and resonant

Online Library Day Infamy Lord Walter

consequences that linger even today.
