New York Times bestselling author Rachel Gibson returns with this dazzling love story filled with sizzle, sass, and just a bit of southern charm . . . "Hello, Ms. Vivian . . . it's been a long time." And with those words, Vivian Leigh Rochet nearly melted. It's been years since she last saw Harrison Whitley-Shuler. She was a teenager scrubbing houses for a living. He was the gorgeous son of rich parents, not fit for the likes of her. Vivian had vowed to get out of Charleston, become a big Hollywood star, and stick it to the snooty girls who made her cry. She got what she wanted!and more!but why does her glamorous life seem so trivial? Harrison got out too . . . making it all the way to Wall Street, until a heart attack forced him to trade in his cufflinks for a good set of hand tools. Making furniture soothes his soul, but escaping the Whitley-Shuler heritage is nearly impossible. And now he's come face-to-face with the one who got away. He's not looking for love. He's not even looking for sex . . . so why is resisting her the hardest thing he's ever done?

The term 'Popular Music' has traditionally denoted different things in France and Britain. In France, the very concept of 'popular' music has been fiercely debated and contested, whereas in Britain and more largely throughout what the French describe as the 'Anglo-saxon' world 'popular music' has been more readily accepted as a description of what people do as leisure or consume as part of the music industry, and as something that academics are legitimately entitled to study. French researchers have for some decades been keenly interested in reading British and American studies of popular culture and popular music and have often imported key concepts and methodologies into their own work on French music, but apart from the widespread use of elements of 'French theory' in British and American research, the 'Anglo-saxon' world has remained largely ignorant of particular traditions of the study of popular music in France and specific theoretical debates or organizational principles of the making and consuming of French musics. French, British and American research into popular music has thus coexisted - with considerable cross-fertilization - for many years, but the barriers of language and different academic traditions have made it hard for French and anglophone researchers to fully appreciate the ways in which popular music has developed in their respective countries and the perspectives on its study adopted by their colleagues. This volume provides a comparative and contrastive perspective on popular music and its study in France and the UK.

The ultimate Japanese knitting and crochet stitch bible!now available for English-speaking crafters! 1000 Japanese Knitting & Crochet Stitches is a treasure trove of needlecraft patterns and motifs for knitters and crocheters seeking to create and better understand the infinite variety of their craft. The classic compendium of Japanese stitches is finally available to Western audiences! The Japanese reference work is beloved by knitters the world over, and this English version will allow even more crafters to enjoy these techniques. This dictionary includes 700 original knitting stitch patterns and 300 original crochet patterns that have inspired many modern Japanese knitwear designs. You'll find classic lacy, cable, Aran, Fair Isle, Nordic, ethnic patterns; geometric, botanical and animal motifs; and so much more. This one-stop reference has detailed steps and stitch diagrams showing how to execute over 60 different knitting stiches and over 40 different crochet stitches. Each pattern is charted with a delineation of the pattern repeat. Like Tuttle's other bestselling knitting dictionaries!including Hitomi Shida's Japanese Knitting Stitch Bible!this one includes an introduction by Japanese knitting guru Gayle Roehm, which helps non-Japanese knitters navigate the differences between the Japanese and Western styles of knitting and crochet.

Depicts the terrors of middle age through the eyes of the author, as he describes his daily routines as husband, father, son, friend, and artist, all while battling a mothlike creature called the Snooter.

Spinning out of the hit series HARLEY QUINN, this six-issue miniseries tells the story-within-the-story of the unlikely super-duo's adventures in outer space! Hey, remember the panel gutter between panels 3 and 4 of page 20 of HARLEY QUINN #12? What? You don't? It's only, like, the most memorable panel gutter of the twenty-first century! We'll jog your memory-our heroes, Harley Quinn and Power Girl, were tossed through a teleportation ring, dropping them into galaxies unknown. It's a cosmic adventure beyond your wildest imaginations: Power Girl and Harley Quinn, stranded in a forgotten dimension, on the homeworld of the amorous warlord Vartox! They'll sacrifice anything they have to in order to get home-except their dignity. Kidding! That'll be the first thing to go. HARLEY QUINN writers Amanda Conner and Jimmy Palmiotti are joined by artist Stephane Roux (BIRDS OF PREY) and writer Justin Gray (ALL-STAR WESTERN) for an unforgettable tale of friendship, romance and butt-kicking! Collects HARLEY QUINN AND POWER GIRL #1-6.

DK Eyewitness Great Scientists is an exciting and informative guide to the fascinating lives of the world's most famous thinkers, philosophers, inventors, innovators and pioneers. Stunning photographs offer a unique "eyewitness" view of the ideas and innovations that have changed the way we live today. Your child will discover all about Benjamin Franklin's electrical charges, Albert Einstein's theory of relativity and the many others whose discoveries have shaped our world. Great for projects or just for fun, make sure your child learns everything they need to know about Great Scientists. Find out more and download amazing clipart images at www.dk.com/clipart.

Discusses the importance of civil engineering in the history of civilization, explores problems civil engineers face each day, and outlines some modern accomplishments in the field.
