“ A tense, fast-paced fantasy. ” —Taylor Fenner, author of *The Haunting Love* After seven grueling years of captivity in the Garden—a burlesque troupe of slave girls—sixteen-year-old Rose finds an opportunity to escape during a performance for the emperor. But the hostage she randomly chose from the crowd to aid her isn't one of the emperor's men—not anymore. He's the former heir to the throne, who is now leading a rebellion against it. Rayce is a wanted man and dangerously charismatic, the worst person for Rose to get

involved with, no matter what his smile promises. But he assumes Rose's attempt to take him hostage is part of a plot to crush the rebellion, so he takes her as his hostage. Now Rose must prove where her loyalties lie, and she offers Rayce a deal—if he helps her rescue the other girls, she'll tell him all the Garden's secrets. Except the one secret she's kept for seven years that she'll take to her grave if she must. The Garden of Thorns series is best enjoyed in order. Book #1 Garden of Thorns Book #2 War of the Wilted

When Amethyst Faye was six-years-old, she was almost stolen by a monster in the woods on the same night her mother mysteriously disappeared. Ten years, a half dozen psychiatrists, and a slew of diagnoses haven't made things any better; she is still plagued by nightmares, ridiculed at school, and misunderstood by everyone from

her teachers to her counselor to her father. And lately she ' s been sprouting thick green thorns out of her skin. When the paranoia doesn ' t end, and the treatment options run out, she ' s faced with a choice between inpatient treatment or spending the summer with a grandmother she hasn ' t heard from in a decade. Summer at Gran ' s in Morgan Springs wins out, just barely, and only because a backwater town sounds marginally more interesting than a mental institution. Amethyst draws the attention of Ben, the boy of her dreams, and Absynth, the creature from her nightmares. Although neither of them is what she expected, Amethyst realizes both Ben and Absynth are exactly what she needs to heal her heart and harness the fairy magic she ' s inherited. Unfortunately for Amethyst, trying to walk both paths could get her killed, but having to choose between them is far worse. GARDEN OF THORNS AND LIGHT is an exiting new fantasy

Like flowers denied water, people are wilting under the emperor's tyranny. Rose will not rest until the Gardener is dead. But there are bigger battles to fight, and Rayce—leader of the rebellion and the only man Rose has ever loved—believes their best chance at winning the war is to join forces with her sworn enemy. Saving innocent people is more important than her quest for revenge. But their new ally can't be trusted—and he knows her darkest secret. One betrayal could leave the war and Rayce's life hanging in the balance, and Rose will need to make the ultimate sacrifice to save them all. The Garden of Thorns series is best enjoyed in order.
