The in-universe book written by Ghostbusters before they were Ghostbusting, Ghosts from Our Past tries for levity and fails at its one purpose: adding anything of value to the Ghostbusters universe. The premise is this: Erin Gilbert and Abby L. Yates wrote a mountain of a book on ghost-hunting while undergrads and are now republishing it in light of their recent paranormal success.

Ghosts from Our Past: Both Literally and Figuratively: The Study of the Paranormal: Gilbert, Erin, Yates, Abby L, Shaffer, Andrew: Amazon.sg: Books

Erin Gilbert and Abby L. Yates are fictitious characters played in the Ghostbusters film by Kristen Wiig and Melissa McCarthy.

As seen in the Sony Pictures 2016 film Ghostbusters, the ultimate guide to identifying, understanding, and engaging with any paranormal activity that plagues you Years before they made headlines with the Ghostbusters, Erin Gilbert and Abby L. Yates published the groundbreaking study of the paranormal, Ghosts from Our Past. Once lost to history, this criminally underappreciated book is now updated for the new century. According to Gilbert and Yates, “extraordinary claims require extraordinary evidence,” and whether you’re a believer or a skeptic, you’ll find the information you’re seeking right here in this extraordinary book, including:

- The childhood experiences that inspired Erin and Abby’s lifelong passion for the scientific study of the paranormal
- The history of ghosts and other supernatural entities, the science that explains their existence, and profiles of the groundbreaking paranormal researchers who have investigated them
- An illustrated guide to Class I through Class VII ghosts
- Helpful sidebars like “A Ghost by Any Other Name”

Follow the formation of the Ghostbusters team in this Level 3 Ready-to-Read based on the brand-new Ghostbusters movie! Ghostbusters—starring Melissa McCarthy, Kristen Wiig, Kate McKinnon, Leslie Jones, and Chris Hemsworth—glides into theaters on July 15, 2016 with a hilarious paranormal adventure! Abby and Erin have been friends for years. From their first high school science fair project, “The Durable but not Impenetrable Barrier,” to their first book, Ghosts from Our Past: Both Literally and Figuratively: The Study of the Paranormal, and now as part of a new Ghostbusters team, they have always worked well together. But with new teammates—Holtzmann and Patty—in the mix, can they work together to form a whole new dream team? They’ll discover that, together, there’s no ghost these buddies can’t bust. Ghosts and spirits populate the world around us. We just need to be sensitive or psychic enough to hear and see them. In this book, author Paul Roland examines a fascinating assortment of recorded sightings from as far back in history as Roman times. This serious look at ghosts presents them not as chain-rattling spooks or clouds of cold, swirling mist, but as entities with which we share a greater reality. A comprehensive exploration of the realm of the supernatural, from ghost ships and poltergeists to out-of-body experiences and the idea of spirits as the manifestation of people still living, The Complete Book of Ghosts will challenge your beliefs and preconceptions as never before.

One of NPR’s Great Reads of 2016 “A lively assemblage and smart analysis of dozens of haunting stories...absorbing...[and] intellectually intriguing.” —The New York Times Book Review From the author of The Unidentified, an intellectual feast for fans of offbeat history that takes readers on a road trip through some of the country’s most infamously haunted places—and deep into the dark side of our history. Colin Dickey is on the trail of America’s ghosts. Crammed into old houses and hotels, abandoned prisons and empty hospitals, the spirits that linger continue to capture our collective imagination, but why? His own fascination piqued by a house hunt in Los Angeles that revealed derelict foreclosures and “zombie homes,” Dickey embarks on a journey across the continental United States to decode and unpack the American history repressed in our most famous haunted places. Some have established reputations as “the most haunted mansion in America,” or “the most haunted prison”; others, like the haunted Indian burial grounds in West Virginia, evoke memories from the past our collective nation tries to forget. With boundless curiosity, Dickey conjures the dead by focusing on questions of the living—how do we, the living, deal with stories about ghosts, and how do we inhabit and move through spaces that have been deemed, for whatever reason, haunted? Paying

attention not only to the true facts behind a ghost story, but also to the ways in which changes to those facts are made—and why those changes are made—Dickey paints a version of American history left out of the textbooks, one of things left undone, crimes left unsolved. Spellbinding, scary, and wickedly insightful, Ghostland discovers the past we're most afraid to speak of aloud in the bright light of day is the same past that tends to linger in the ghost stories we whisper in the dark.

The father of "Ghostbusters" star Dan Aykroyd shares the blockbuster movie's real-life inspiration: his own family's colorful history and experiences with the paranormal. color photo insert.

When you buy this book you get an electronic version (PDF file) of the interior of this book. The perfect coloring book for every child that loves ghosts. 40 coloring pages haunted by ghosts. Art is like a rainbow, never-ending and brightly colored. Feed the creative mind of your child and have fun! Each picture is printed on its own 8.5 x 11 inch page so no need to worry about smudging.

In this book Tiya Miles explores the popular yet troubling phenomenon of "ghost tours," frequently promoted and experienced at plantations, urban manor homes, and cemeteries throughout the South. As a staple of the tours, guides entertain paying customers by routinely relying on stories of enslaved black specters. But who are these ghosts? Examining popular sites and stories from these tours, Miles shows that haunted tales routinely appropriate and skew African American history to produce representations of slavery for commercial gain. "Dark tourism" often highlights the most sensationalist and macabre aspects of slavery, from salacious sexual ties between white masters and black women slaves to the physical abuse and torture of black bodies to the supposedly exotic nature of African spiritual practices. Because the realities of slavery are largely absent from these tours, Miles reveals how they continue to feed problematic "Old South" narratives and erase the hard truths of the Civil War era. In an incisive and engaging work, Miles uses these troubling cases to shine light on how we feel about the Civil War and race, and how the ghosts of the past are still with us.

Stanford Solomon has a shocking, thirty-year-old secret. And it's about to change the lives of everyone around him. Stanford Solomon is actually Abel Paisley, a man who faked his own death and stole the identity of his best friend. And now, nearing the end of his life, Stanford is about to meet his firstborn daughter, Irene Paisley, a home health aide who has unwittingly shown up for her first day of work to tend to the father she thought was dead. These Ghosts Are Family revolves around the consequences of Abel's decision and tells the story of the Paisley family from colonial Jamaica to present day Harlem. There is Vera, whose widowhood forced her into the role of single mother. There are two daughters and a granddaughter who have never known they are related. And there are others, like the house boy who loved Vera, whose lives might have taken different courses if not for Abel Paisley's actions. These Ghosts Are Family explores the ways each character wrestles with their ghosts and struggles to forge independent identities outside of the family and their trauma. The result is an engrossing portrait of a family and individuals caught in the sweep of history, slavery, migration, and the more personal dramas of infidelity, lost love, and regret. This electric and luminous family saga announces the arrival of
