I read Shabanu for school, and kind of

Get Free Haveli Shabanu 2 Suzanne Fisher Staples

enjoyed it, but I really wanted to see what would happen next, so I read the sequel, Haveli. It was pretty good. There was a lot of sad stuff (actually, barely any of the content was happy), and only some of the issues that were apparent in Shabanu were resolved in Haveli. I was a little disappointed actually.

A Season of Change Along the Virginia shoreline where their families have lived for generations, Buck and Tunes Smith defy tradition. Raised together like brother and sister, they are bound by surname, but not by skin color. And just as Buck has come to rely on Tunes, Tunes has come to

trust that even in a place where race can mean so much, their friendship will remain as dependable as the tides. But then the horrifying events of one spring afternoon tear them apart -- and change their world forever. Desperate to hang on to the thing that he values most, Buck struggles to uphold their friendship -- without realizing
