your life. He examines its core principles, including: Neutralizing threats: This is the first and foremost objective. Simplicity: The art consists of holds, strikes, and blocks that are simple and efficient. Defense and attack at the same time: By using both techniques in a single move, you can remove the threat as

Constant motion: The objective is to incapacitate the opponent with a continuous series of movements that are aggressively defensive.

Although it is well known by Italians, it is less so among foreign

visitors. Bologna is the capital and largest city of Emilia-Romagna (a region in northern Italy). Bologna is famed for the oldest university in the Western world, lively student population, exquisite food, typical brick terracotta-roofed architecture and porticos, theatre and nightlife. It is considered
