Halevy's La Juive is a great example of French romantic opera from the mid-19th century. Basically it tells the story of a Jewish merchant and his daughter in a complicated and horrible plot of revenge. This concert production, Tucker's last recording, shows the best and the worst of the great American tenor.

Besides documenting Verdi's life and the music he created, it also goes further in discussing the times and culture in which he was living in 19th century Italy, both socially and politically. "A complete life-to-death biography, wonderfully comprehensive on both life and art, wonderfully sensible, and splendidly gotten up." The Boston Herald

From Sean Connery to Roy Rogers, from comedy to political satire, films that include espionage as a plot device run the gamut of actors and styles. More than just "spy movies," espionage films have evolved over the history of cinema and American culture, from stereotypical foreign spy themes, to patriotic star features, to the Cold War plotlines of the sixties, and most recently to the sexy, slick films of the nineties. This filmography comprehensively catalogs movies involving elements of espionage. Each entry includes release date, running time, alternate titles, cast and crew, a brief synopsis, and commentary. An introduction analyzes the development of these films and their

reflection of the changing culture that spawned them.

The only complete illustrated biography of Hans Bellmer, with a detailed analysis of his oeuvre. Featuring many of Bellmers surreal/erotic drawings, paintings and sculptures as well as his classic series of Doll photographs, it is also the complete story of Bellmers remarkable life, from Nazi Germany to the inner circle of the Paris Surrealists, a fascinating story encompassing the history of both surreal and erotic art and literature. De Sade, Bataille, Jean de Berg and Andr Pieyre de Mandiargues are just some of the authors whose work Bellmer illuminated with his perverse and complex illustrations. And with his legendary Doll, Bellmer established one of the most disturbing creations in modern art; his text, *The Anatomy of the Image*, remains crucial to understanding the reciprocity between body and imagination. completely updated and revised edition of the standard work on Bellmer. *Solar Art Directives 2*. originally published by Quartet, 1985, as *Hans Bellmer*
