Sad to report that my friend and Keep Calm and Muslim On co-founder, Andrea Annaba, passed away last week. If you wish to honor her memory, please consider donating to Rabata , a Muslim women's organization she worked with and that was extremely important to her, or to your local Human Society shelter, as Andrea was a great lover of all creatures furred and feathered.

Well, it just gets worse and worse doesn't it? Collapsing banks, collapsing countries, massive government cuts, rising debt, inflation and the possibility of a double dip. It's amid all this uncertainty that the already embattled modern woman needs the best advice she can get about how to be as cool and calm in life as possible. Keep Calm for Ladies offers the same pearls of life wisdom, inspirational quotes, proverbs and mantras as Keep Calm and Carry On but with women at their wits' end in mind. An emergency pocket survival bible for today's plucky female. 'Don't compromise yourself. You are all you've got' Janis Joplin 'A man would prefer to come home to an unmade bed and a happy woman than to a neatly made bed and an angry woman' Marlene Dietrich 'Remember, blood is not only much thicker than water, it's much more difficult to get out of the carpet' Phyllis Diller 'In politics, if you want anything said, ask a man; if you want anything done, ask a woman' Margaret Thatcher 'Never eat more than you can lift' Miss Piggy

"Starts with a bang and never slows down--a very superior high-stakes thriller." --#1 New York Times bestselling author Lee Child When a bombing at 10 Downing Street wounds the Prime Minister and tests Great Britain's resolve, American ex-cop Adam Tatum must confront a conspiracy in the highest halls of power Former Michigan detective Adam Tatum receives an unexpected offer, a golden opportunity that seems almost too good to be true. He travels to 10 Downing Street to participate in a high-stakes conference. Immediately after his visit, a bomb detonates, wounding the prime minister and placing Adam Tatum squarely in the crosshairs of suspicion. Sensing a setup, Tatum flees with his family, desperately fighting for survival in an unfamiliar country. The lives of his children, the future of his marriage, and the fate of a nation depend on Tatum exposing the conspirators who pegged him for a fall. Georgia Turnbull, the chancellor of the exchequer, and Davina Steel, the lead investigator, both stand to gain from the successful manhunt of Adam Tatum. But, as motives emerge and desires ignite, each must decide what they're really after. Layered plots, crackling dialogue, and propulsive action mark Keep Calm, the riveting debut thriller from award-winning actor, director, and screenwriter Mike Binder.

Keep Calm and Carry On was a World War 2 government poster discovered in a dusty box nine years ago. Though it never saw the light of day in 1939 (it was only supposed to go up if Britain was invaded), it has suddenly struck a chord in our current difficult times, now we are in need of a stiff upper lip and optimistic energy once again. Gordon Brown had one up in 10 Downing Street and James May wears a Keep Calm T-shirt on the telly - it is suddenly everywhere. The book is packed full of similarly motivational and inspirational quotes, proverbs, mantras and wry truths to help us through the recession, from such wits as Churchill, Disraeli and George Bernard Shaw. Funny, wise and stirring - it is a perfect source of strength to get us all through the coming months. 'A banker is a fellow who lends you his umbrella when the sun is shining and wants it back the minute it begins to rain' Mark Twain 'It's a recession when your neighbor loses his job; it's a depression when you lose your own' Harry S. Truman 'An economist is an expert who will know tomorrow why the things he predicted yesterday didn't happen today' Laurence J. Peter 'Always laugh when you can. It is cheap medicine' Lord Byron 'Better bread with water than cake with trouble' Russian Proverb
