Acclaimed playwright Kenneth Lonergan ' s You Can Count on Me is one of the most highly praised independent films of recent years, earning many of the major screenplay awards. This is the lovingly drawn story of a sister and brother ' s complicated, fragile, but somehow enduring bond. Sammy and Terry Prescott were orphaned as children. Sammy, now the single mother of a young son, has stayed in their hometown and is an officer at the local

bank. Terry has become something of a drifter, surfacing only when he needs money. Sammy 's own life has its complications: she puts off an old boyfriend 's proposal and begins an affair with her new boss. Together in their family home, Terry 's charming irresponsibility collides with Sammy 's confusion over her own actions. What remains unspoken is what they 've known since they were left with only each other sixteen years before.

THE STORY: When Jeff, a luckless young security guard, is drawn into a local murder investigation, loyalties are strained to the breaking point. As Jeff's tightly wound supervisor is called to bear witness against his troubled brother, and an attra

The Academy Award–winning screenplay of “ a drama of surpassing beauty ” (Wall Street Journal) Kenneth Lonergan 's Academy Award and BAFTA–winning screenplay for the acclaimed film Manchester by the Sea is a staggering achievement and an emotionally devastating meditation on grief. Lee Chandler is a brooding, irritable loner who works as a handyman in Boston. One damp winter day he gets a call summoning him to his hometown, Manchester-by-the-Sea, the fishing village where his working-class family has lived for generations. His brother 's heart has given out suddenly, and he 's been named guardian to his riotous 16-year-old nephew. His return re-opens an unspeakable tragedy, as he is forced to confront a past that separated him from his wife, Randi, and the community where he was born and raised. A sweeping story of loss and new beginnings, Manchester by the Sea “ illuminates with quiet, unyielding grace how you and I and our neighbors get by, and sometimes how we don ' t ” (Boston Globe). Rounding out the volume is a trenchant and incisive introduction by Kenneth Lonergan on writing for film.

"A triumph . . . the sort of ambitious American storytelling you find too rarely at the movies."-Michael Phillips, Chicago Tribune Academy Award® nominated writer and director Kenneth Lonergan has written a stirring drama that was called "extraordinarily ambitious" by Time and "a film of rare beauty and shocking gravity" by Rolling Stone. Delayed for 4 years in post-production, the film was finally released in 2011, with a director's cut following on DVD in 2012. Our edition will include the scripts of the full director's cut, along with an introduction and key tie-in art. Margaret is the story of a Manhattan teenager whose life is profoundly altered after witnessing a terrible accident. It is the extraordinary journey of an emotional teen who abides by her moral code and wants to set things right, but whose innocent ideals come crashing against the harsh realities of the adult world. It is a story of youth, love, the consequences of mistakes, and the fundamental questions of morality as faced by a teenager in an extraordinary situation.

(Limelight). A Killer Life is a book about just that: the killer life of an alternative film producer who's forged her own path of success between the disparate pillars of art and commerce. Strong, steady, creative, loyal, funny, artistic, and doggedly determined to produce films that have meaning and substance and staying power in the pantheon of great cinema, Christine Vachon, a member of the Academy and born and bred on the realistic, unforgiving streets of New York City, is one of the most important people working behind the scenes in the film industry today. How did she get there? Why do directors love her? What does it take to produce great movies? What happened on the set of Kids ? These answers and more are in her book!

(Book). The Grand Budapest Hotel recounts the adventures of Gustave H (Ralph Fiennes), a legendary concierge at a famous European hotel between the wars, and Zero Moustafa (Tony Revolori), the lobby boy who becomes his most trusted friend. Acting as a kind of father figure, M. Gustave leads the resourceful Zero on a journey that involves the theft and recovery of a priceless Renaissance painting; the battle for an enormous family fortune; a desperate chase on motorcycles, trains, sledges and skis; and the sweetest confection of a love affair all against the backdrop of a suddenly and dramatically changing Continent. Inspired by the writings of Stefan Zweig, The Grand Budapest Hotel recreates a bygone era through its arresting visuals and sparkling dialogue. The charm and vibrant colors of the film gradually darken with a sense of melancholy as the forces of history conspire against our hero and his vanishing way of life. Written and directed by Wes Anderson, whose films include The Royal Tenenbaums , Moonrise Kingdom , and Fantastic Mr. Fox . The film also stars Jude Law, Tilda Swinton, Edward Norton, Jeff Goldblum, Harvey Keitel, Adrian Brody, Saoirse Ronan, Lea Seydoux, Bill Murray and Owen Wilson.
