Let our study guides guide you along the path to the professional career of your dreams

The story of Black education is about more than desegregation and inclusion in mainstream schooling. Jarvis Givens returns to the classrooms of Jim Crow to highlight the forgotten work of Carter G. Woodson and his followers, who undertook the radical act of educating Black children. Their subversive methods continue to provide a model today.

The National Book Award Finalist and New York Times bestseller that became a guide and balm for a country struggling to understand the election of Donald Trump "A generous but disconcerting look at the Tea Party. . . . This is a smart, respectful and compelling book." □ Jason DeParle, The New York Times Book Review When Donald Trump won the 2016 presidential election, a bewildered nation turned to *Strangers in Their Own Land* to understand what Trump voters were thinking when they cast their ballots. Arlie Hochschild, one of the most influential sociologists of her generation, had spent the preceding five years immersed in the community around Lake Charles, Louisiana, a Tea Party stronghold. As Jedediah Purdy put it in the *New Republic*, "Hochschild is fascinated by how people make sense of their lives. . . . [Her] attentive, detailed portraits . . . reveal a gulf between Hochschild's 'strangers in their own land' and a new elite." Already a favorite common read book in communities and on campuses across the country and called "humble and important" by David Brooks and "masterly" by Atul Gawande, Hochschild's book has been lauded by Noam Chomsky, New Orleans mayor Mitch Landrieu, and countless others. The paperback edition features a new afterword by the author reflecting on the election of Donald Trump and the other events that have unfolded both in Louisiana and around the country since the hardcover edition was published, and also includes a readers' group guide at the back of the book.

An enraging, necessary look at the private prison system, and a convincing clarion call for prison reform. □ NPR.org New York Times Book Review 10 Best Books of 2018 \* One of President Barack Obama's favorite books of 2018 \* Winner of the 2019 J. Anthony Lukas

Book Prize \* Winner of the Helen Bernstein Book Award for Excellence in Journalism \* Winner of the 2019 RFK Book and Journalism Award \* A New York Times Notable Book A groundbreaking and brave inside reckoning with the nexus of prison and profit in America: in one Louisiana prison and over the course of our country's history. In 2014, Shane Bauer was hired for \$9 an hour to work as an entry-level prison guard at a private prison in Winnfield, Louisiana. An award-winning investigative journalist, he used his real name; there was no meaningful background check. Four months later, his employment came to an abrupt end. But he had seen enough, and in short order he wrote an exposé about his experiences that won a National Magazine Award and became the most-read feature in the history of the magazine Mother Jones. Still, there was much more that he needed to say. In *American Prison*, Bauer weaves a much deeper reckoning with his experiences together with a thoroughly researched history of for-profit prisons in America from their origins in the decades before the Civil War. For, as he soon realized, we can't understand the cruelty of our current system and its place in the larger story of mass incarceration without understanding where it came from. Private prisons became entrenched in the South as part of a systemic effort to keep the African-American labor force in place in the aftermath of slavery, and the echoes of these shameful origins are with us still. The private prison system is deliberately unaccountable to public scrutiny. Private prisons are not incentivized to tend to the health of their inmates, or to feed them well, or to attract and retain a highly-trained prison staff. Though Bauer befriends some of his colleagues and sympathizes with their plight, the chronic dysfunction of their lives only adds to the prison's sense of chaos. To his horror, Bauer finds himself becoming crueler and more aggressive the longer he works in the prison, and he is far from alone. A blistering indictment of the private

prison system, and the powerful forces that drive it, American Prison is a necessary human document about the true face of justice in America.

The Louisiana 2020 Master study guide will help you prepare for the exam by providing 12 practice open book exams and 2 Final Closed Book Exams. Includes Louisiana License Forms and Sample Applications. This book also covers most topics that are included on all Master Electricians exams such as conductor sizing and protection, motors, transformers, voltage drop, over-current protection and residential and commercial load calculations. The text contains the most widely used electrical calculations and formulas the reader needs to pass the Master electrical competency exam. About the Author Ray Holder has worked in the electrical industry for more than 40 years as an apprentice, journeyman, master, field engineer, estimator, business manager, contractor, inspector, and instructor. He is a graduate of Texas State University and holds a Bachelor of Science Degree in Occupational Education. A certified instructor of electrical trades, he has been awarded a lifetime teaching certificate from the Texas Education Agency in the field of Vocational Education. Mr. Holder has taught thousands of students at Austin Community College; Austin Texas Odessa College at Odessa, Texas; Technical-Vocational Institute of Albuquerque, New Mexico; Howard College at San Angelo, Texas, and in the public school systems in Fort Worth and San Antonio, Texas. He is currently Director of Education for Electrical Seminars, Inc. of San Marcos, Texas. Mr. Holder is an active member of the National Fire Protection Association, International Association of Electrical Inspectors, and the International Brotherhood of Electrical Workers.
