This book of adventure is going to help you learn about something called social studies. Social studies is about people and places around the world. We will talk about what people eat, where our food comes from, how governments are set up, the symbols on flags from different countries and what they mean, how God teaches us to love the people of the world like He does, and much more. The language of this book is English, but we'll share some Italian and Chinese words with you too! My Story, My Country, My World is a course for lower elementary students. It includes basic introductions to history, politics, economics, sociology, and geography, with the ultimate aim of teaching a comprehensive understanding of God's world and the cultures of each country. This is a daily adventure-based curriculum series that encourages families to explore the world together through four nine-week quests and to understand it better from God's perspective. It is designed with elements that make weekly learning fun and interactive, including: Thankful Time! Government Time! God's Creation Time! My Story Journal It's time to explore God's world and to learn more about others... and more about you too! Get your Quest Collector Cards ready. Each card includes your world map showing the path of each of your four journeys.

Written at the height of her fame but not published until over a decade after her death, this autobiography of actress and sex symbol Marilyn Monroe (1926-1962) poignantly recounts her childhood as an unwanted orphan, her early adolescence, her rise in the film industry from bit player to celebrity, and her marriage to Joe DiMaggio. In this intimate account of a very public life, she tells of her first (non-consensual) sexual experience, her romance with the Yankee Clipper, and her prescient vision of herself as "the kind of girl they found dead in the hall bedroom with an empty bottle of sleeping pills in her hand." The Marilyn in these pages is a revelation: a gifted, intelligent, vulnerable woman who was far more complex than the unwitting sex siren she portrayed on screen. Lavishly illustrated with photos of Marilyn, this special book celebrates the life and career of an American icon--from the unique perspective of the icon herself.

My Story K: My Family, My Life is a kindergarten social studies course. Social studies for this age typically includes introductions to family and culture, what it is to be a good citizen, basic geography and understanding simple maps, and basic economics and the value of things, ultimately aiming toward a better understanding of God's love for us, our families, and other people in the world. The course begins at the core with a foundation of family, neighborhood, and church. My Story K is an adventure-based curriculum that encourages families to explore the world together through four quests,

and to understand it better from God's perspective.

Just what exactly is social studies, you may ask? Well, it includes the study of all kinds of people and places, some far away and some next door. In this book we talk about families, like your family in your house, and also lots of people close by, which we call a town or city, and finally about even more people in cities or outside of cities, all living in big places called countries. My Story and the World Around Me is a course for lower elementary students. It includes basic introductions to history, politics, sociology, economics, and geography, and provides a fuller understanding of God's world and the cultures of the countries. This is a daily adventure-based curriculum series that encourages families to explore the world together through four nine-week quests and to understand it better from God's perspective. It is designed with elements that make weekly learning fun and interactive, including: Activity time Word find time Review time My story journal Learn all about the world while you discover more about your own. And make sure you pull out your Quest Collector Cards at the beginning of each quest. Your world map on the other side shows where you are in each lesson!

WINNER OF THE 1989 CHRISTOPHER AWARD • Here is a thrilling, uplifting story of true-life heroism unequalled since the publication of Anne Frank's diary—a story that the young must hear and their elders must remember. Take Alicia's hand—and follow. “This memoir is heartbreaking. I hope it will be read by Jews and non-Jews alike.”—Elie Wiesel, author of *Night* Her name is Alicia. She was thirteen when she began saving the lives of people she did not know—while fleeing the Nazis through war-ravaged Poland. Her family cruelly wrenched from her, Alicia rescued other Jews from the Gestapo, led them to safe hideouts, and lent them her courage and hope. Even the sight of her mother's brutal murder could not quash this remarkable child's faith in human goodness—or her determination to prevail against overwhelming odds. After the war, Alicia continued to risk her life, leading Polish Jews on an underground route to freedom in Palestine. She swore on her brother's grave that if she survived, she would speak for her silenced family. This book is the eloquent fulfillment of that oath. Praise for Alicia “Profoundly observed . . . remarkably lived . . . ferocious bravery.”—The New York Times Book Review “As exciting as it is inspirational. In fact, a good bit of *Alicia: My Story* reads as if it were written by one of our better writers of fiction.”—The Pittsburgh Press “A compelling voice, lucid prose . . . a luminous testimony to the heroism and humanity of one remarkable person.”—San Francisco Chronicle “Straightforward . . . energizing and inspirational.”—Newsday

This important collection of anecdotes and reminiscences from Sheikh Mohammed bin Rashid Al Maktoum is published to mark the occasion of his fifty years in public service, which began with his appointment as Dubai's Minister of Defence in 1968. These stories tell of the vision

behind Dubai's meteoric growth from a small and bustling trading port to an international metropolis at the heart of global business. They record the evolution of the United Arab Emirates from a shared ideal to a nation where more than 195 nationalities live and work in peace, harmony and prosperity. And they reveal insights from a man whose drive, determination and will to succeed have become legendary. Within these stories lies the heart of Sheikh Mohammed the statesman, the equestrian, the poet and the leader. They are written with the intent to inspire and inform new generations of readers, and to celebrate the achievements of this young and vibrant nation and the people who shaped it. This celebration of a life in service is unavoidably incomplete. As Sheikh Mohammed himself indicates, there is still so much left to do. As a record of the first fifty years alone, however, it forms part of a remarkable legacy. Other titles written by Sheikh Mohammed and published by Explorer include Zayed, Reflections on Happiness & Positivity, Flashes of Verse and Two Great Leaders.

From the creator of the critically acclaimed graphic novel Pashmina, comes a new picture book that encourages kids to be their most creative selves and to imagine all the places that their stories can take them. After spending an afternoon listening to her aunties tell her stories from their pasts, a young girl ruminates on all of the tales that she can create using her imagination and begins to feel as if the possibilities for her future are endless. Filled with Nidhi Chanani's signature vibrant illustrations, *What Will My Story Be?* is for anyone who finds inspiration in the quiet moments and cherishes the wisdom of the generations that came before them. Perfect for fans of *Alma* and *How She Got Her Name* by Juana Martinez-Neal, *Drawn Together* by Minh Le and Dan Santat, and *You Matter* by Christian Robinson.

My Story, My Song is the heartwarming memoir of the late 88-year-old Lucimarian Tolliver Roberts, mother of Good Morning America coanchor Robin Roberts. It details pivotal moments in Mrs. Roberts' life, revealing how faith in God gave her strength and hope to face the challenges of life. Good Morning America viewers came to know and love Lucimarian Tolliver Roberts. For many, the heartfelt connection began the day after Hurricane Katrina blew through the Gulf Coast. They eagerly watched as Robin stood among the remnants of her hometown and talked about her desperate search for her elderly mother, who had ridden out the storm in her Mississippi home. Once she knew that her mother was safe, Robin admitted she was not surprised to learn that even as the winds howled and floodwaters rose, Lucimarian Roberts sang hymns. As she was working on her memoir, Lucimarian still was able to recite the lyrics to hundreds of hymns and spirituals first learned in her childhood church. She credited hymns for helping her, a black woman born in 1924, live faithfully through the turbulent times of the

Great Depression, segregation, the civil rights struggle, and the loneliness and constant moves that came with being married to a U.S. Air Force officer. Robin writes, "Folks are drawn to Mom's humility, wisdom, and spirituality. Countless times I've been told, 'Your mother should write a book.' Reflections from Robin on her mother's life and faith cap each chapter. Now you will be able to gain insights from Lucimarian Roberts' amazing life. "God has brought the most wonderful and sometimes the most unlikely people, of all ages and races, into my life to encourage and guide me on this spiritual journey of life," Mrs. Roberts said with bright eyes. Highlights of My Story, My Song include: Inspiring stories of how a mother's love and character affect generations to come A tribute to the power of hymns and music to lift the heart out of loneliness and grief Honest childhood stories of poverty and alcoholism and the strength to overcome Insight into life as an African American during segregation and beyond Examples of the powerful influence of mentors and role models Encouraging stories of aging with grace Reminders of the impact of integrity, character, and love You will be inspired and uplifted by this memoir of a woman who faced the best and worst of times with faith, dignity, and grace.
