Not a Box is a fun story to read, because it is very simple. It has few words, but says so much about how important it is to foster creativity. It encourages children to see this ordinary box in a different manner. The illustrations are pretty simple as well, but they display different ways a box can be transformed into something greater.

**Not a Box** by Antoinette Portis—Goodreads

A box is just a box...unless it's not a box. From. Don't miss this wholly original celebration of the power of imagination, winner of a Theodor Seuss Geisel Honor Award. This picture book has visual humor and simple dialogue that will delight fans of Mo Willems and Crockett Johnson.

In this inventive award winner, a little bunny discovers that a simple box can turn into anything he imagines it to be. Despite suggestions to the contrary, the bunny insists that he's not sitting in a box but driving a speeding racecar, climbing a mighty mountain, or soaring in a colorful hot-air balloon.

A box is just a box . . . unless it's not a box. From mountain to rocket ship, a small rabbit shows that a box will go as far as the imagination allows. Inspired by a memory of sitting in a box on her driveway with her sister, Antoinette Portis captures the thrill when pretend feels so real that it actually becomes real—when the imagination takes over and inside a cardboard box, a child is transported to a world where anything is possible.

From mountain to rocket ship, a small rabbit shows that a box will go as far as the imagination allows. A beautifully designed book, celebrating the power of the imagination to transform even the most ordinary of objects into something magical.

This is my favorite cloud. . .because it's the one I am watching. This is my favorite tree. . .because it's the one where I'm swinging. This is my favorite tooth. . .because it's the one that is missing. Follow a little girl as she takes you on a tour through all of her favorite things, from the holes she digs to the hugs she gives in Now, a clever and poignant picture book by award-winning artist Antoinette Portis. A Neal Porter Book

A celebration of the power of imagination from the Theodor Seuss Geisel Honor Award-winning creator of Not a Box Experience the thrill of the moment when pretend feels so real that it actually becomes real! Following the critically acclaimed Not a Box, this book proves that a stick is not always just a stick. Whether it's conducting an orchestra, painting a masterpiece, or slaying a dragon—give a child a stick and let imagination take over and the magic begin.

A box is just a box . . . unless it's not a box. From mountain to rocket ship, a small rabbit shows that a box will go as far as the imagination allows. Inspired by a memory of sitting in a box on her driveway with her sister, Antoinette Portis captures the thrill when pretend feels so real that it actually becomes real—when the imagination takes over and inside a cardboard box, a child is transported to a world where anything is possible.

Yelfred and Omek have been best frints since they were little bloopies. They play and snack, and sometimes they even fight, all in a language similar to but slightly different from, English. When Omek decides to borrow Yelfred's new spaceship without asking (and then crashes it), it sparks the biggest fight yet. Can these two best frints make up and move on? Award-winning picture book creator Antoinette Portis delivers a new universe of cleverness and imagination in this hilarious, sweet, and otherworldly book about friendship.

The day the refrigerator arrives in its large brown carton, Christina Katerina and her mother are both excited, but for very different reasons. Christina quickly claims the box, where she creates a castle, a clubhouse, and other fantastic playthings with her sometimes-friend Fats Watson.

On planet Boborp, all the childrinx go to skrool, just like here on planet Earth. Omek and Yelfred are always late, but it's okay because they are always late together, and everyone knows that best frints do everything together. That is, until Yelfred meets Q-B. Omek is good at sharing many things, but he's not so good at sharing his best frint. But with a little understanding and a friendly game of Eyeball in the peedle pit, Omek might find that there's room for just one more best frint after all, in Antoinette Portis's Best Frints at Skrool.

If you give a child a box, who can tell what will happen next? It may become a library or a boat. It could set the scene for a fairy tale or a wild expedition. The most wonderful thing is its seemingly endless capacity for magical adventure, a feature imaginatively captured in cardboardesque art and rhythmically celebrated in this poetic tribute. This board book edition of the popular 2016 picture book of the same name takes the literal shape of a box to bring an imaginative concept to life.
