friends who become family. And most of all, learning to live with who you are.

I'm not on the run from my feelings. Because I don't do feelings. And it's not that I'm repressing my feelings, I just... seriously... don't have feelings. Until now. Apparently. For the wrong girl. My best friend's girl. So, OK fine. I'm on the run from the feelings I'm not having. Everything is great. I'm getting out of Dodge. I'm on my way to a new life, and a new job, and no more feelings...and then I run right into another girl. Only this girl doesn't belong to anyone. She's stranded. And broke. And stuck in a blizzard with me. So all those ugly, stupid feelings I'm absolutely not having need an outlet. And new girl is into my brand of weird. She's super competitive and wants to play games with me. And we just made a deal that's basically a grown-up version of truth or dare. I'm in trouble. Because maybe... possibly... I actually do have feelings. And this girl isn't really stranded and broke, she's just... broken. Just like I am. And if I don't find a way to unbreak her--we'll both stay broken forever.

Ford Aston is getting the f\*ck out of Denver. He does not give a shit about blizzards, getting his old ass Bronco over the Rocky Mountains in one piece, or a girl knocking on his hotel door looking to be saved. Ford Aston is known for many things. Being an emotionless, messed up bastard, a freakishly smart social outcast, and a cold, domineering master who keeps "pets" instead of girlfriends. And after Rook broke his heart, he plans to keep it that way.\*\*\*\*\*Ashleigh is getting the f\*ck out of somewhere, but she's not quite sure where she's coming from, let alone where she's going. Ashleigh is known for nothing, and that's exactly what she's got going for her. She's broke, stranded in the mountains with a three month old baby, and Ford Aston is

f\*cking with her head. Big. Time. And she plans to f\*ck with his right back.\*\*\*\*\* It's a coy game at first, filled with flirting, and innuendo--but Ford soon realizes something is not quite right with Ashleigh. In fact, something is seriously, seriously wrong and the closer they get to their final destination, the closer Ford gets to the truth. One night of devastation, self-loathing, and emptiness turns into the best thing that ever happened to Ford Aston. But one day of in-your-face reality threatens Ashleigh's whole existence. Can Ford allow another woman into his heart and risk the possibility of being hurt, or will he walk away from Ashleigh just when she needs him most?

Spencer Shrike is a plotter. Known for his ingenious, albeit illegal, plans that keeps the Team running efficiently and out of jail, he carries this same love of order into his personal life. He's kept his long-time main squeeze on the sidelines for years as he builds the Shrike Bikes empire. Veronica Vaughn is an explosion ready to happen. Ronnie lives in the here and now. She lives for today. She knows what she wants, and she wants it now. And right now Ron the Bomb Vaughn wants Spencer shrike to leave her the hell alone. She's done playing his game. She's done waiting around. She's moving forward with her own plots, plans, and dreams and she's moving forward tonight. Ron the Bomb is finally-finally-gonna get some satisfaction. Too bad Spencer Shrike is standing in her way.
