Focus on Personal Finance is a brief, 14-chapter book, covering the critical topics in Personal Finance courses. This 4-color, paperback text is designed and written to appeal to a range of ages, life situations, and levels of financial literacy. A unique aspect of this text is its active approach. This text will not only get your students thinking about their current situation and financial goals, but also encourage them to put these in writing to use as a guide and revise over the course of their lives. New for this edition, sections are oriented around specific action-items for students. The more a student involves themselves in the assessments, exercises and worksheets provided, the more they will discover about their current habits and how to improve them for greater financial freedom. Students have many different financial goals, but none are more important than having a basic understanding of financial issues and peace of mind with regard to their decisions. The ultimate goal of Focus on Personal Finance is to get students to this point as a first step to achieving the many financial goals they have set for themselves.

Knowing what to do with your money is more important than ever. Billingsley/Gitman/Joehnk's market-leading PERSONAL FINANCIAL PLANNING, 14E, provides the tools, techniques, and understanding you need to define and achieve your financial goals. You will find the numerous practical examples, illustrations, and reliance on common sense that is engaging and refreshingly concrete. Features such as You Can Do It Now, the Financial Impact of Personal Choices, Financial Fact or Fantasy, Financial Planning Tips, Financial Road Signs, and Behavior Matters keep the material relevant and vital to facing a life time of important personal financial decisions. The 14th edition is packed with information relevant to you—for example, changing spending habits for the better, knowing the right questions to ask a financial adviser, using tips on budgeting and planning for retirement, knowing what to look for when choosing a bank, knowing whether to buy or lease a car, knowing what's important when buying your first home, and choosing the right credit card. All-new features teach you to use today's critical financial tools and technology, including financial planning software. CFP practice questions provide valuable practice.
