Piano/Keyboard Methods/Series

(Educational Piano Library). Spike, Party Cat and friends guide the student through fun and creative assignments that introduce the language of music and its symbols for sound, silence, and rhythm. Ear training and basic theory exercises help students learn to write and play the music they are learning as well as the music they create themselves. Correlates to Piano Lessons Book 1.

In this remarkable memoir, Anna Goldsworthy recalls her first steps towards a life in music, from childhood piano lessons with a local jazz muso to international success as a concert pianist. As she discovers passion and ambition, and confronts doubt and disappointment, she learns about much more than tone and technique. This is a story of the getting of wisdom, tender and bittersweet. With wit and affection, Goldsworthy captures the hopes and uncertainties of youth, the fear and exhilaration of performing, and the complex bonds between teacher and student. An unforgettable cast of characters joins her: her family; her friends and rivals; and her teacher, Mrs Sivan, who inspires and challenges her in equal measure, and who transforms what seems an impossible dream into something real and sustaining.

(Educational Piano Library). Book 2 opens with a new My Own Song improvisation on CDEFG. Unit 1 introduces phrasing and legato touch, and also presents harmonic 2nds and 3rds with staccato touch. The following two units are dedicated to the introduction of 4ths and 5ths. Also in Unit 3, sharps are introduced in a diatonic setting starting on D, and flats are introduced as blues notes. Most pieces in the second half of Book 2 coordinate hands playing together. This book works very well for transfer students.

The 2nd Edition WunderKeys Piano for Preschoolers method books take young children (ages 3 to 5) on a magical journey where they acquire the piano skills, keyboard awareness, and rhythmic understanding needed for a successful future at the piano.Designed for a one-on-one lesson setting, Book 1 encourages exploration of the piano in ways that are accessible and appropriate for this age group. All lessons are geared toward having young children understand everything they will need to know before learning to read notated music. Students will learn symbol-to-sound recognition, practice finger independence and coordination, improve aural awareness, play long sounds and short sounds on black keys, play high sounds and low sounds on black keys, play sounds moving higher and lower, and learn math skills to assist musical understanding.Be sure to check out WunderKeys Piano For Preschoolers: Book 2 and WunderKeys Piano For Preschoolers: Book 3.
