This complete textbook provides detailed content on the theory of operation, diagnosis, repair, and rebuilding of automotive engines. In addition to essential technical expertise, the text helps users develop the skills and knowledge they need for professional success, including critical thinking and awareness of key industry trends and practices. The text emphasizes universal repair techniques and case histories based on real-world scenarios to prepare users for careers in the field. Instructor resources include lesson plans, customizable lab sheets that address NATEF Standards, a customizable test bank with questions based on chapter content, presentations in PowerPoint, and more. Now updated with new, full-color images and information on the latest trends, tools, and technology—including hybrid engines and high-performance components—AUTOMOTIVE ENGINES: DIAGNOSIS, REPAIR, REBUILDING, Seventh Edition, is the ideal resource for automotive programs who want a complete teaching package for their Engines course. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A year's worth of vital industry data plus analysis that helps you plan for the future.

In How to Super Tune and Modify Holley Carburetors, best selling author Vizard explains the science, the function, and most importantly, the tuning expertise required to get your Holley carburetor to perform its best for your performance application.

The Garden Wildlife Manual is the definitive guide to providing your garden with microhabitats and wildlife, showing that with a little thought and effort you can improve your own piece of the environment, however small. This highly practical book includes many DIY projects, with a focus on using recycled materials. The step-by-step projects are illustrated with photographs and drawings, and include tools and material lists, the time needed for each project and guidance on which projects are best for your garden. Projects include: wildlife ponds and pools, nest boxes, rockeries, hibernation shelters, bird baths, squirrel assault courses, feeding puzzles, feeding tables, and collecting traps.
