This carefully crafted ebook: "Pride and Prejudice & Sense and Sensibility" is formatted for your eReader with a functional and detailed table of contents. "Pride and Prejudice" – Mr. Bennet of the Longbourn estate has five daughters, but his property is entailed, meaning that none of the girls can inherit it. His wife has no fortune, so it is imperative that at least one of the girls marry well in order to support the others on his death. The story charts the emotional development of Elizabeth Bennet who learns the error of making hasty judgments and comes to appreciate the difference between the superficial and the essential. "Sense and Sensibility" – When Mr. Henry Dashwood dies, his house, Norland Park, must pass directly to his grandson, the son of John Dashwood, the child of the elder Dashwood's first wife. His second wife, Mrs. Dashwood, and their daughters, Elinor, Marianne and Margaret, inherit only a small income, but John makes a promise to his father that he will take care of his half-sisters. However, John's greedy wife, Fanny, persuades him to renege on the promise and the Dashwood women soon become the unwelcome guests in Norland Park. Mrs. Dashwood decides to move her family to Barton Cottage in Devonshire, near the home of her cousin, Sir John Middleton.

Reflecting the dynamic and expansive nature of Austen studies, *A Companion to Jane Austen* provides 42 essays from a distinguished team of literary scholars that examine the full breadth of the English novelist's works and career. A new edition of this standard work, fully updated with four brand new chapters.

This volume, first published in 2006, is a fully annotated scholarly edition of Austen's most popular novel.

Seminar paper from the year 2004 in the subject English Language and Literature Studies - Literature, grade: 1,3, University of Munster, course: The Rise of the English Novel, 8 entries in the bibliography, language: English, abstract: Since it was my part to introduce Jane Austen in a paper on 18th century women writers I wanted to know more about the female writers at her time. I chose *Pride and Prejudice* because it is one of Jane Austen's most famous novels. While I was reading it I soon discovered that marriage is the main theme of the novel. I want to compare the different kinds of marriages described in the novel putting emphasis on the marriage of the hero-ine and the hero. I want to show the importance of marriage in women's eyes in the 18th century. In a further step I will take a closer look at the ending of the novel which has often been described as a fairytale ending on the one hand and as confirmation of patriarchal structures on the other. I want to show that the ending can be interpreted in a different way. I shall reveal that marriage in *Pride and Prejudice* is not only the essence romantic novels are made of but rather important to the existence of women in the 18th century."

Introducing Book Candy Classics. They're fun They're gorgeous They're new! Sink your teeth into your favorite story and discover new ones to swoon over! "You must allow me to tell you how ardently I admire and love you." This is the beginning of one of the most famous literary proposals of all time and the first in this anthology of the most romantic, poignant and colorful love declarations found in classic and modern literature. From spurned lovers to love letters pleading for a long-forgotten romance, this lovely book will remind you of your favorite literary couples and introduce you to new ones. Sometimes a heroic action is in itself a love declaration, or the story ends with the realization that love was there all along -these excerpts from masterpieces of classic and modern literature are as diverse as they are entertaining. Easily read, they will make you laugh, cry and fall in love all over again. All the passionate love scenes we have adored and reread until the pages of our books curled with time are now collected in this beautiful volume to be perused over and over again. Whether you've fallen in love with Mr. Darcy, Heathcliff, Captain Wentworth, Theodore Lawrence, Gilbert Blythe or Newland Archer, this book is for you.

Seminar paper from the year 2018 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Würzburg (Neuphilologisches Institut), course: The Female Romantics, language: English, abstract: "There is a tendency to think of the settings of Austen's novels as if they resemble Downton Abbey a hundred years earlier". With this quote, Davidson introduces the broad topic of the paper: inheritance, money, love, society – and what goes along with it. Whether it is Downton Abbey or Jane Austen's Pride and Prejudice, the "financial status and the operations of inheritance play a fundamental role", which is "never speaking openly, but always present". But, to intervene right at the beginning of this funny looking idea of a paper about English literature, one could state the question of money and Jane Austen – How Pride and Prejudice generates an access to contemplating marriage socioeconomically as absolutely vital, as "economic interpretations of literature often reveal the power base of the society on which the novel is built as well as the author's own view about the appropriateness of that power base". In other words, and to define the very problem of the novel: "Mr. Bennet [...] is unable to use his property to provide for his family after his death since one of the stipulations included in most legal entailments was that, if there were no son to inherit the property, it would descend to the eldest nephew or male cousin in the next generation of the family", which leads Büttner to summarize the entire novel and say that it is basically all about sex and money. The paper, hence, should analyse this problem in form of a vivisection of social restraints, in which possession seems to control love and in order to investigate about Austen's ability to discriminate against social habits and practices of her time. This is, to legitimize the choice of the text, exactly the point, why one should have a close look at Jane Austen. She is not just a very famous female writer in English literature, but one of the most knowns for criticising society and structures. The specific topic however, is derived from the heart of analyses, contemplating the details of characters, plots, settings, and so on, while rather few scholars seem to concentrate on the meaning a novel can convey for understanding the time and circumstances it comes from. Most of them focus on the author and want to compare the author's real life with the novel. This is, in kind, not of big use, because one simply can answer the question if the novel was written according to the author's life.

This Squid Ink Classic edition of Pride and Prejudice by Jane Austen includes the full text of the novel plus MLA style citations for scholarly articles, peer-reviewed and critical essays for when your teacher requires extra resources for your research paper.

Beckham& Bridget Jones: A Cultural History of Gender in the UK, language: English, abstract: Pride and Prejudice as well as Helen Fielding's successful novel Bridget Jones's Diary deal with the role of women in their contemporary societies and the skills the "accomplished woman" should have. One might think that the concept of the "accomplished woman" is only relevant in the 19th century but Fielding's funny revised edition of the Pride and Prejudice subject has shown that this idea is still present nowadays. Since Austen's novel was published in 1813 almost two centuries have passed, the role of women in society has changed through the years because of the feminist movements beginning in the 1960s. Nowadays women are able to depend completely on their own. They are not longer inferior to men, they gained the right to vote in the early 20th century and are able to have successful careers. Nevertheless the concept of the "accomplished woman" seems to be still significant at the present time. Fielding manages to move the concept of the "accomplished woman" into the future and it seems to be more popular than ever. Bridget Jones embodies a woman of the 1990s that struggles with her role in society in a similar way Elizabeth Bennet did almost 200 years ago.
