"A truly a well written, fast-paced, page turning book; I loved it!" "This was a wonderfully well-written and intense thriller that I thoroughly enjoyed and I will definitely be grabbing future releases in this series." "Fun, sexy, and dark." "I agree with other readers who have compared Miller's NEW HERO - Jake Noble to Mitch Rapp, Scot Harvath, and I would add Kyle Achilles and Sean Drummond."

"This diary is distinctive for its account of increasing clashes with Unionist "bushwhackers" and for its graphic description of the atrocities on both sides. The Civil War surged around Rogersville, near the Fain farm, with alternating occupation by both North and South. When her farm was looted in 1865, Fain attempted to defend her family and home from depredations by both Yankee troops and guerrillas." "The entries from the period of Reconstruction reveal Fain's concerns about perceived threats from poor whites and freed slaves. Overall, however, this busy mother focuses throughout on the private life of her family, and her writings tell us much about the challenges of everyday life almost a century and a half ago."--Jacket.

#1 New York Times bestselling author Christine Feehan tells the story of Abigail Drake, one of seven elementally gifted sisters who are fated to find great love. As the third daughter in a magical bloodline, Abigail Drake was born with a mystical affinity for water, and possessed a particularly strong bond with dolphins. She spent her entire life studying them, learning from them, and swimming among them in the waters off her hometown of Sea Haven... Until the day Abby witnessed a cold-blooded murder on shore, and found herself fleeing for her life--right into the arms of Aleksandr Volstov. He's an Interpol agent on the trail of stolen Russian antiquities, a relentless man who gets what he goes after--and the man who broke Abby's heart. But he isn't going to let the only woman he ever loved be placed in harm's way--or slip away from his embrace.

" An enraged elephant flips a car onto its roof. A lioness prises open the door of a terrified couple. A leopard helps itself to a family's picnic breakfast. A fleeing impala leaps through an open car window. A lion charges around inside a busy rest camp. A hyaena snatches a baby from a tent. A tourist takes a bath in a croc-infested dam...These are just a few of the 101 jaw-dropping sightings, scrapes and encounters in this collection of extraordinary true stories from the roads, camps, picnic sites and walking trails of South Africa's Kruger National Park, as told by the very people who experienced them. There are no game

ranger tales here - each and every story happened to an ordinary Kruger visitor doing what over a million tourists do in this spectacular reserve each year." -- Back cover.
