NOW AVAILABLE AS AN EBOOK! Shel Silverstein, the New York Times bestselling author of The Giving Tree, A Light in the Attic, Falling Up, and Every Thing On It, has created a poetry collection that is outrageously funny and deeply profound. Come in ... for where the sidewalk ends, Shel Silverstein's world begins. You'll meet a boy who turns into a TV set, and a girl who eats a whale. The Unicorn and the Bloath live there, and so does Sarah Cynthia Sylvia Stout who will not take the garbage out. It is a place where you wash your shadow and plant diamond gardens, a place where shoes fly, sisters are auctioned off, and crocodiles go to the dentist. Shel Silverstein's masterful collection of poems and drawings stretches the bounds of imagination and will be cherished by readers of all ages. This is a collection that belongs on everyone's bookshelf. Makes a great gift for special occasions such as holidays, birthdays, and graduation. And don't miss The Giving Tree by Shel Silverstein, also available as an ebook!

Reading fluency has been identified as a key component of proficient reading. Research has consistently demonstrated significant and substantial correlations between reading fluency and overall reading achievement. Despite the great potential for fluency to have a significant outcome on students' reading achievement, it continues to be not well understood by teachers, school administrators and policy makers. The chapters in this volume examine reading fluency from a variety of perspectives. The initial chapter sketches the history of fluency as a literacy instruction component. Following chapters examine recent studies and approaches to reading fluency, followed by chapters that explore actual fluency instruction models and the impact of fluency instruction. Assessment of reading fluency is critical for monitoring progress and identifying students in need of intervention. Two articles on assessment, one focused on word recognition and the other on prosody, expand our understanding of fluency measurement. Finally, a study from Turkey explores the relationship of various reading competencies, including fluency, in an integrated model of reading. Our hope for this volume is that it may spark a renewed interest in research into reading fluency and fluency instruction and move toward making fluency instruction an even more integral part of all literacy instruction.

Is Nick Allen a troublemaker? He really just likes to liven things up at school -- and he's always had plenty of great ideas. When Nick learns some interesting information about how words are created, suddenly he's got the inspiration for his best plan ever...the frindle. Who says a pen has to be called a pen? Why not call it a frindle? Things begin innocently enough as Nick gets his friends to use the new word. Then other people in town start saying frindle. Soon the school is in an uproar, and Nick has become a local hero. His teacher wants Nick to put an end to all this nonsense, but the funny thing is frindle doesn't belong to Nick anymore. The new word is spreading across the country, and there's nothing Nick can do to stop it.
