Iron Golems are a tough, utility mob that are immune to drowning, fall damage, and knockback. They are built with four blocks of iron and one of any type of pumpkin. Iron golems are considered one of the strongest mobs in the game, as they will not be knocked back by any means except when hit with a weapon with the knockback enchantment.

Iron Golem build configuration. Iron golems are created by placing four iron blocks in a T shape (as shown in the image), and then placing a carved pumpkin, jack o'lantern or pumpkin [ BE only] on top of the center upper block. The pumpkin may be placed by the player, a dispenser or an enderman, but it must be placed last.

Stampy demand engagement like no other, which begs the question—what is the role that video games play in our lives, from our homes, to our phones, and on global culture writ large? *How to Play Video Games* brings together forty original essays from today ' s leading scholars on video game culture, writing about the games they know best and what they mean in broader social and cultural contexts. Read about avatars in *Grand Theft Auto V*, or music in *The Legend of Zelda: Ocarina of Time*. See how *Age of Empires* taught a generation about postcolonialism, and how *Borderlands* exposes the seedy underbelly of capitalism. These essays suggest that understanding video games in a critical context provides a new way to engage in contemporary culture. They are a must read for fans and students of the medium.
