The fate of a kingdom rests on the shoulders of three young wizards who couldn't be more different. Bakari is a brilliant scholar wizard who's more at home in a library than a battlefield. Alli is a beautiful young battle wizard who's grace in battle is both enchanting and deadly. Roland is a counselor wizard with a seemingly limitless depth of untapped power -- and the ego to match it. As the magical barrier protecting the kingdom of Alaris from dangerous outsiders begins to fail, and a fomenting rebellion threatens to divide the country in a civil war, the three wizards are thrust into the middle of a power struggle. When the barrier comes down, the truth comes out. Was everything they were taught about their kingdom based on a lie? Will they all choose to fight on the same side, or end up enemies in the battle over who should rule Alaris?

How much wizard power is too much? Some people are born with magical powers. Others are not. It's that simple. Roland Tyre, High Wizard of the Citadel, has always wanted to be the most powerful wizard in the land and adored by all. But there is already someone else that vies for that title - Bakari, the Dragon King; one of his best friends. While Bakari and the dragon riders race off to find the lost dragon artifacts and the mythical golden dragon, Roland discovers his own magical artifact that gives him the opportunity to increase his own powers and influence in the land. Can friendships survive greed for power? And who will emerge as the most powerful wizard in the land? A grand adventure awaits with powerful wizards, kidnappings, traitors, kingdoms changing hands, and of course dragons and other magical creatures. Is the Golden Dragon real and if so, who will find him first?

In Mpu Monagu?a's Sumanas?ntaka, the authors offer an edited text and translation of Mpu Monagu?a's early thirteenth century epic kakawin Sumanas?ntaka along with extensive commentary on the history of the poem and its story in India, Java and Bali.

Evil is spreading across the Western Continent. One by one, kingdom, king, and wizard are falling under its influence. Book 3 in The Alaris Chronicles brings a stunning conclusion - full of twists, turns, magic, and unanticipated events. Dragon King Bakari, Battlemaster Alli, and High Wizard Roland are now powerful leaders in their own right. Differing missions and responsibilities have separated them; Bakari flies north to find the last Dragon Rider, Alli goes south to find the source of the evil, and Roland, leader of the Citadel, finds himself stuck in the magic stream without his body. The Dragon King and his riders always emerge in times of great need - but will their powers be enough? Or will they succumb to the temptations of evil? Each wizard and Rider will be tested - not all of them will pass.
