The Jesus and Mary Chain is a Scottish indie rock/noise pop band led by the brothers William and Jim Reid, who were the band's songwriters for their whole career (apart from two songs). They were also the only members to remain in the band through all the years, and had a changing group of back up musicians for live shows. Many of their studio recordings were recorded by the brothers ...

Musically, culturally and even in terms of sheer attitude, the Jesus and Mary Chain stand alone. Their seminal debut album Psychocandy changed the course of popular music, and their iconic blend of psychotic white noise and darkly surreal lyrics that presaged the shoegaze movement continues to enchant and confound. Zoë Howe's biography is the fierce, frank and funny tale of the Jesus and Mary Chain, told by the band members and their associates for the very first time. The story begins in the faceless town of East Kilbride, near Glasgow, at the dawn of the 1980s with two intense, chronically shy brothers, Jim and William Reid, listening to music in their shared bedroom. What follows charts an unforgettable journey complete with incendiary live performances, their pivotal relationship with Alan McGee's Creation Records and those famous fraternal tensions—with plenty of feedback, fighting, and crafting perfect pop music along the way. It is high time this vastly influential group and sometime public enemy had their say.

The Jesus and Mary Chain's swooning dsbut Psychocandy seared through the underground and through the pop charts, shifting the role of noise within pop music forever. Post-punk and pro-confusion, Psychocandy became the sound of a generation poised on the brink of revolution, establishing Creation Records as a tastemaking entity in the process. The Scottish band's notorious live performances were both punishingly loud and riot-spurring, inevitably acting as socio-political commentary on tensions emergent in mid-1980s Britain. Through caustic clangs and feedback channeling the rage of the working-class who'd had enough, Psychocandy gestures toward the perverse pleasure in having your eardrums exploded and loudness as a politics within itself. Yet Psychocandy's blackened candy heart center — calling out to phantoms Candy and Honey with an unsettling charm — makes it a pop album to the core, and not unlike the sugarc coated sounds the Ronettes became famous for in the 1960s. The Jesus and Mary Chain expertly carved out a place where depravity and sweetness entwined, emerging from the isolating underground of suburban Scotland grasping the distinct sound of a generation, apathetic and uncertain. The irresistible Psychocandy emerged as a clairvoyant account of struggle and sweetness that still causes us to grapple with pop music's relation to ourselves.

Extensive set of rare and classic photographs of the Jesus and Mary Chain with words by Jim Reid and Julie Reid, together with selected lyrics. Beautifully presented hardcover book.

"[Gillespie] is a major influence on so many people; musicians and fans alike." --Rolling Stone Fizzing with an infectious passion for the magic of rock music, Bobby Gillespie's vivid and evocative new memoir, TENEMENT KID: From the Streets of Glasgow in the 1960s to Drummer in Jesus and Mary Chain and Frontman in Primal Scream, traces a path from a post-war Glasgow tenement to the release of Screamadelia, the band's psychedelic award-winning masterpiece that helped usher in the 1990s. So much more than a rockstar's memoir, Tenement Kid is also a book filled with the joy and wonder of a rock'n'roll apostle who radically reshaped the future sounds of fin de sie 1 cle British pop. Structured in four parts, Tenement Kid builds like a breakbeat crescendo from Gillespie's working-class Glaswegian upbringing to the "Second Summer of Love" that saw the '80s bleed into the '90s and a new kind of electronic soul music starting to pulse through the Great Britain's consciousness. In this book, Gillespie takes us through the release of Screamadelia and the tour that followed as Primal Scream become the most innovative British band of the new decade. Published thirty years after the release of that seminal album, Tenement Kid cuts a righteous path through a decade lost to Thatcherism and saved by acid house. It's a joyful, celebratory, and beautifully written book which will remind us of better times, just--as we hope--those better times might be returning.

Picture book to accompany the release of the Jesus and Mary Chain Box Set, with words by Jim & Julie Reid

What was it like in the household of Jesus, Mary, and Joseph? The extracanonical Infancy Gospel of Thomas and the Protogospel of James offer some answers. In stories of household conflict, as well as in scenes of courage and love, ancient Christians learned about human ignorance, divine omniscience, and the worth of family life.

Tenement Kid is Bobby Gillespie's story up to the recording and release of the album that has been credited with 'starting the 90's', Screamadelia. Born into a working class Glaswegian family in the summer of 1961, Bobby's memoirs begin in the district of Springburn, soon to be evacuated in Edward Heath's brutal slum clearances. Leaving school at 16 and going to work as a printers' apprentice, Bobby's rock n roll epiphany arrives like a bolt of lightning shining from Phil Lynott's mirrored pickguard at his first gig at the Apollo in Glasgow. Filled with 'the holy spirit of rock n roll' his destiny is sealed with the arrival of the Sex Pistols and punk rock which to Bobby, represents an iconodastic vision of class rebellion and would ultimately lead to him becoming an artist initially in the Jesus and Mary Chain then in Primal Scream. Structured in four parts, Tenement Kid builds like a breakbeat crescendo to the final quarter of the book, the Summer of Love, Boys Own parties, and the fateful meeting with Andrew Weatherall in an East Sussex field. As the '80s bleed into the '90s and a new kind of electronic soul music starts to pulse through the nation's consciousness, Primal Scream become the most innovative British band of the new decade, representing a new psychedelic vanguard taking shape at Creation Records. Ending with the release of Screamadelia and the tour that followed in the autumn, Tenement Kid is a book filled with the joy and wonder of a rock n roll apostle who would radically reshape the future sounds of fin de si è cle British pop. Published thirty years after the release of their masterpiece, Bobby Gillespie's memoir cuts a righteous path through a decade lost to Thatcherism and saved by acid house.

Excerpt: The Jesus and Mary Chain are a Scottish alternative rock band formed in East Kilbride, Glasgow in 1983. The band revolves around the songwriting partnership of brothers Jim and William Reid. They released a string of albums, singles and EPs between their 1983 formation and their 1999 breakup, and gained notoriety in their early days for short sets and violence that became common at their live shows. In 2007, the band reunited. Brothers Jim and William Reid had been inspired to form a band as far back as 1977, having heard groups such as the Sex Pistols, but it would be the early Eighties before they actually formed their own. William stated, "It was perfect timing because there weren't any guitar bands. Everybody was making this electronic pop music." Before forming the band, the brothers had spent five years on the dole, and in those five years they wrote and recorded songs at home and worked out the sound and image of the band. Originally called The Poppy Seeds, and then Death of Joey, they initially told journalists that they...
