First Series from Bestselling Author Julie Klassen! The lifeblood of the Wiltshire village of Ivy Hill is its coaching inn, The Bell. But when the innkeeper dies suddenly, his genteel wife, Jane Bell, becomes the reluctant owner. Jane has no notion of how to run a business. However, with the town's livelihood at stake and a large loan due, she must find a way to bring new life to the inn. Despite their strained relationship, Jane turns to her resentful mother-in-law, Thora, for help. Formerly mistress of The Bell, Thora is struggling to find her place in the world. As she and Jane work together, they form a measure of trust, and Thora's wounded heart begins to heal. When she encounters two men from her past, she sees them--and her future--in a different light. With pressure mounting from the bank, Jane employs innovative methods to turn the inn around, and puzzles over the intentions of several men who seem to have a vested interest in the place. Will her efforts be enough to save The Bell? And will Thora embrace the possibility of a second chance at love?

Much has happened in idyllic Ivy Hill in recent months, and while several villagers have found new love and purpose, questions remain--and a few dearly held dreams have yet to be fulfilled. Jane Bell is torn. Gabriel Locke is back and has made his intentions clear. But Jane is reluctant to give up her inn and destine another man to a childless marriage. Then someone she never expected to see again returns to Ivy Hill. . . . Mercy Grove has lost her school and is resigned to life as a spinster, especially as the man she admires seems out of reach. Should she uproot herself from Ivy Cottage to become a governess for a former pupil? Her decision will change more lives than her own. A secretive new dressmaker arrives in the village, but the ladies soon suspect she isn't who she claims to be. Will they oust the imposter, or help rescue her from a dangerous predicament? In the meantime, everyone expects Miss Brockwell to marry a titled gentleman, even though her heart is drawn to another. While the people of Ivy Hill anticipate one wedding, an unexpected bride may surprise them all. Don't miss this romantic, stirring conclusion to Tales from Ivy Hill.

Richard Brockwell, the younger son of Ivy Hill's most prominent family, hasn't been home for Christmas in years. He prefers to live in the London townhouse, far away from Brockwell Court, the old family secret that haunts him, and the shadows of his past mistakes. But then his mother threatens to stop funding his carefree life--unless he comes home for Christmas. Out of options, he sets out for Ivy Hill, planning to be back on a coach bound for London and his unencumbered bachelor life as soon as the festivities are over. But Christmas in the country presents unforeseen surprises, including encounters with an orphaned apprentice, the first love he disappointed years ago, and Arabella Awdry, a young lady who is far more appealing than he recalled . . . and determined to have nothing to do with him. Will Christmastime in Ivy Hill, with its village charm, kissing boughs, joyous songs, and divine hope, work its magic in his heart . . . and hers as well?

For fans of Shannon Hale, Adam Gidwitz, and Michael Buckley comes a luminous new twist on a tale readers only thought they knew. . . . Once upon a time, there was a girl with golden locks. But that's just the beginning of this tale. The real story begins with a bear. Ursula is a young she-bear who has come to work as a governess at the Vaughn estate. Although she is eager to instruct her young charge, Teddy, she is also frightened, especially when inexplicable things happen in the huge house after dark. Ursula is sure she has heard footsteps in the hallways at night, and that something is following her during her walks in the Enchanted Forest. Then there is Mr. Bentley, a young bear also employed by Mr. Vaughn, whose superior disposition is enough to drive Ursula to tears . . . and yet why does he also make her heart race? As Ursula works to unravel the mysteries of the Vaughn manor, she will have to be very, very careful. After all, true love, justice, and a girl with golden locks are at stake. And in the Enchanted Forest, not every fairy tale is destined for a happily ever after.
