The Six-Day War (Hebrew: ????????? ??????? ????????? ?, Milhemet Sheshet Ha Yamim; Arabic: ??????, an-Naksah, "The Setback" or ??? 1967, ?arb 1967, "War of 1967"), also known as the June War, 1967 Arab–Israeli War, or Third Arab-Israeli War, was fought between 5 and 10 June 1967 by Israel and the neighboring states of Jordan, Syria, and Egypt.

Six-Day War - Wikipedia

Six-Day War, also called June War or Third Arab-Israeli War or Naksah, brief war that took place June 5–10, 1967, and was the third of the Arab-Israeli wars.

Six-Day War | Causes, History, & Summary | Britannica

The Six-Day War began on the morning of June 5, 1967, when Israeli and Egyptian forces clashed along Israel's southern border in the region of the Sinai. The first strike was an aerial attack by Israel, in which jets, flying low to evade radar, attacked Arab warplanes as they sat on their runways.

Six-Day War in 1967 Reshaped the Middle East

War in 1967 came as a result of years of increasing tension and vicious border skirmishes between Arabs and Israelis. The border between Egypt and Israel was relatively quiet.

1967 war: Six days that changed the Middle East - BBC News

The Six-Day War took place in June 1967. The Six-Day War was fought between June 5th and June 10th. The Israelis defended the war as a preventative military effort to counter what the Israelis saw as an impending attack by Arab nations that surrounded Israel. The Six-Day War was initiated by General Moshe Dayan, the Israeli's Defence Minister.

The Six Day War - History Learning Site

On June 8, 1967, the fourth day of the Six-Day War, the Israeli high command received reports that Israeli troops in El Arish were being fired upon from the sea, presumably by an Egyptian vessel, as they had a day before.

Myths & Facts - The 1967 Six-Day War

During the last Israel Defense Forces General Staff meeting before the war, on May 19, 1967, the head of Military Intelligence, Maj. Gen. Aharon Yariv, said the Egyptians had radically changed their conduct in the preceding days. "Their moves show a willingness to move towards or even instigate a confrontation with us," he said.

Six-Day War: Before the war From 1948 to 1967, the West Bank, including East Jerusalem, was ruled by Jordan. During this period, the Gaza Strip was under Egyptian military administration. Israeli troops captured Egypt's Sinai peninsula during the 1956 British, French and Israeli military campaign in response to the nationalisation of the Suez Canal. The Israelis subsequently withdrew and were ...

Osprey's examination of Jordan and Syria's involvement in the Six Day War (1967). Following the lightning destruction of the Egyptian forces at the outbreak of the Six Day War, Israel turned to the forces of Jordan and Syria, with whom Egypt had signed a mutual-defence pact, and who had now entered the war. Jordan's army moved against West Jerusalem and central Israel, while Syria began shelling Israeli towns from the seemingly impregnable Golan Heights. The IDF's invasion of the Golan was as daring and successful as its more famous Egyptian victory, but its success in Jordan - taking the West Bank - sowed the seeds of its future troubles. Comprehensively illustrated with artwork, maps and battlefield views, this new history brings one of the most important of 20th century campaigns to life.

In May 1967, Egypt expelled the United Nations peacekeeping forces stationed in the Sinai desert and deployed its army along its border with Israel, its moves coordinated with those of Jordan and Syria. By June, Israel realized that the international community would not act, and launched a pre-emptive strike against the combined Arab forces. The ensuing Six Day War (June 5-10, 1967) was a crushing defeat for the Arab world, one that tripled the area controlled by Israel and which sowed the seeds for the Yom Kippur War of 1973 and the continuing strife in the region. Written by the author of Osprey's Yom Kippur War, this volume covers the background to the war and the campaign against the Egyptians in the Sinai Peninsula, including the initial devastating air assault that showed the world how vital air supremacy was in modern combat.

NEW YORK TIMES BESTSELLER • The first comprehensive account of the epoch-making Six-Day War, from the author of Ally—now featuring a fiftieth-anniversary retrospective Though it lasted for only six tense days in June, the 1967 Arab-Israeli war never really ended. Every crisis that has ripped through this region in the ensuing decades, from the Yom Kippur War of 1973 to the ongoing intifada, is a direct consequence of those six days of fighting. Writing with a novelist's command of narrative and a historian's grasp of fact and motive, Michael B. Oren reconstructs both the lightning-fast action on the battlefields and the political shocks that electrified the world. Extraordinary personalities—Moshe Dayan and Gamal Abdul Nasser, Lyndon Johnson and Alexei Kosygin—rose and toppled from power as a result of this war; borders were redrawn; daring strategies brilliantly succeeded or disastrously failed in a matter of hours. And the balance of power changed—in the Middle East and in the world. A towering work of history and an enthralling human narrative, Six Days of War is the most important book on the Middle East conflict to appear in a generation. Praise for Six Days of War "Powerful . . . A highly readable, even gripping account of the 1967 conflict . . . [Oren] has woven a seamless narrative out of a staggering variety of diplomatic and military strands."—The New York Times "With a remarkably assured style, Oren elucidates nearly every aspect of the conflict. . . . Oren's [book] will remain the authoritative chronicle of the war. His achievement as a writer and a historian is awesome."—The Atlantic Monthly "This is not only the best book so far written on the six-day war, it is likely to remain the best."—The Washington Post Book World "Phenomenal . . . breathtaking history . . . a profoundly talented writer. . . . This book is not only one of the best books on this critical episode in Middle East history; it's one of the best-written books I've read this year, in any genre."—The Jerusalem Post "[In] Michael Oren's richly detailed and lucid account, the familiar story is thrilling once again. . . . What makes this book important is the breadth and depth of the research."—The New York Times Book Review "A first-rate new account of the conflict."—The Washington Post "The definitive history of the Six-Day War . . . [Oren's] narrative is precise but written with great literary flair. In no one else's study is there more understanding or more surprise."—Martin Peretz, Publisher, The New Republic "Compelling, perhaps even vital, reading."—San Jose Mercury News

Suicide attacks on Israelis, bombings, assassinations, and bloodshed in Jerusalem, Gaza, and the West Bank dominate the news from the Middle East. It is the most troubled region on earth. At its heart is the conflict between Palestinians and Israelis - and the legacy of six days of war in 1967. After the state of Israel emerged from war in 1948, both sides knew more battles were coming. In June 1967, years of slow-burning tension exploded. In six extraordinary days, Israel destroyed the armed forces of Egypt, Jordan, and Syria. But far from bringing peace, as many Israelis hoped, their stunning victory turned into a curse. From the initial battle order issued to the Israeli air force on Monday June 5, 1967 to the final ceasefire on the evening of Saturday the 10th, the Six-Day War was a riveting human drama. Building on his first-hand experience of the region after his five years as the BBC's Middle East Correspondent, as well as extensive original research, Jeremy Bowen presents a compelling new history of the conflict. Six Days recreates day by day, hour by hour, the bullying and brinckmanship that led four nations to war, interweaving testimonies of combatants from all sides in a seamless narrative. A rigorous and original piece of modern history is as vivid as fiction, Six Days not only sheds new light on one of the key conflicts of the twentieth century, it explains much about the Middle East and the problems the region still faces today.

The author of Origins of the Suez Crisis"mak[es] us look afresh at the events that led to conflict between Israel and its neighbors" (Financial Times). One fateful week in June 1967 redrew the map of the Middle East. Many scholars have documented how the Six-Day War unfolded, but little has been done to explain why the conflict happened at all. Now, historian Guy Laron refutes the widely accepted belief that the war was merely the result of regional friction, revealing the crucial roles played by American and Soviet policies in the face of an encroaching global economic crisis, and restoring Syria's often overlooked centrality to events leading up to the hostilities. The Six-Day War effectively sowed the seeds for the downfall of Arab nationalism, the growth of Islamic extremism, and the animosity between Jews and Palestinians. In this important new work, Laron's fresh interdisciplinary perspective and extensive archival research offer a significant reassessment of a conflict—and the trigger-happy generals behind it—that continues to shape the modern world. "Challenging . . . well worth reading."—Moment "A penetrating study of a conflict that, although brief, helped establish a Middle Eastern template that is operational today . . . The author looks beyond Cold War maneuvering to examine the conflict in other lights . . . Readers with an interest in Middle Eastern geopolitics will find much of value."—Kirkus Reviews

On one day in June, the balance of air power in the Middle East was turned upside down by perhaps the most ruthlessly effective air superiority campaign in history - Operation Moked, or Focus. In 1967, the Israeli Air Force was outnumbered more than two to one by the jets of hostile Egypt, Syria, Jordan and Iraq. Operation Focus was Israel's ingenious strike plan to overturn the balance. At 0745hrs on June 6, Israeli jets hit Egypt's airfields simultaneously, first bombing runways and then strafing aircraft. Another 20 follow-up missions were already in the air, initially scheduled to hit every five minutes. This new history of Operation Focus explains how the concept for Focus was devised and meticulously planned, the astonishing rate of serviceability and turnaround speed it required from ground crews, and how the relentless tempo of strikes shattered one air force after another. It is the story of how Israel's victory in the Six-Day War began with a single, shocking day.

Examines the history behind the 1967 war between Israel and its surrounding Arab neighbors, Egypt, Syria, and Jordan, plus biographical notes on important figures and a look at the effects of this war.

Why did the Soviet Union spark war in 1967 between Israel and the Arab states by falsely informing Syria and Egypt that Israel was massing troops on the Syrian border? Based on newly available archival sources, The Soviet Union and the June 1967 Six Day War answers this controversial question more fully than ever before. Directly opposing the thesis of the recently published Foxbats over Dimona by Isabella Ginor and Gideon Remez, the contributors to this volume argue that Moscow had absolutely no intention of starting a war. The Soviet Union's reason for involvement in the region had more to do with enhancing its own status as a Cold War power than any desire for particular outcomes for Syria and Egypt. In addition to assessing Soviet involvement in the June 1967 Arab-Israeli Six Day War, this book covers the USSR's relations with Syria and Egypt, Soviet aims, U.S. and Israeli perceptions of Soviet involvement, Soviet intervention in the Egyptian-Israeli War of Attrition (1969-70), and the impact of the conflicts on Soviet-Jewish attitudes. This book as a whole demonstrates how the Soviet Union's actions gave little consideration to the long- or mid-term consequences of their policy, and how firing the first shot compelled them to react to events.

From Israel's leading historian, a sweeping history of 1967—the war, what led up to it, what came after, and how it changed everything Tom Segev's acclaimed works One Palestine, Complete and The Seventh Million overturned accepted views of the history of Israel. Now, in 1967—a number-one bestseller in Hebrew—he brings his masterful skills to the watershed year when six days of war reshaped the country and the entire region. Going far beyond a military account, Segev re-creates the crisis in Israel before 1967, showing how economic recession, a full grasp of the Holocaust's horrors, and the dire threats made by neighbor states combined to produce a climate of apocalypse. He depicts the country's bravado after its victory, the mood revealed in a popular joke in which one soldier says to his friend, "Let's take over Cairo"; the friend replies, "Then what shall we do in the afternoon?" Drawing on unpublished letters and diaries, as well as government memos and military records, Segev reconstructs an era of new possibilities and tragic missteps. He introduces the legendary figures—Moshe Dayan, Golda Meir, Gamal Abdul Nasser, and Lyndon Johnson—and an epic cast of soldiers, lobbyists, refugees, and settlers. He reveals as never before Israel's intimacy with the White House as well as the political rivalries that sabotaged any chance of peace. Above all, he challenges the view that the war was inevitable, showing that a series of disastrous miscalculations lie behind the bloodshed. A vibrant and original history, 1967 is sure to stand as the definitive account of that pivotal year.

"Brings the subject alive in the same multifaceted way that the real-life crisis was lived. . . . It probably will not be possible again to assemble this many individuals who were in policy-making positions during the 1967 war. The interaction among them is invaluable. . . . Only a book of this kind . . . could convey that sense of partial knowledge, sharply conflicting perspectives, irrational actions, divided governments, even the closest friends not understanding each other."--Harold H. Saunders (National Security Council staff member at the White House during the Six-Day War), Kettering Foundation Former Ambassador Richard B. Parker gathered representatives from the Israeli, Arab, Russian, and U.S. military, government, and academe, many of whom were participants in the 1967 crisis, to reexamine the steps and missteps that led to the conflict. Developed from a State Department conference marking the 25th anniversary of the war, this analysis and discussion provide the most authoritative account we have of the genesis of the Arab-Israeli war. Contents Origins of the Crisis: L. Carl Brown The United Nations Response: I. William Zartman The Israeli Response: Bernard Reich The Other Arab Responses: E. Ernest Dawn The View from Washington: Donald C. Bergus Conspiracy Theories: Richard B. Parker Conclusions: Richard B. Parker Richard B. Parker, U.S. ambassador to Algeria, Lebanon, and Morocco from 1974 to 1979, retired from the Foreign Service in 1980. He is the author of The Politics of Miscalculation in the Middle East and North Africa: Regional Tensions and Strategic Concerns, and he edited the Middle East Journal from 1981 to 1987.
