Pamala Oslie offers a guide to aura colors of energy and how they correspond to four main personality types. She also describes 12 combination colors and includes a test to determine one's own aura color.

A SUNDAY TIMES DESIGN BOOK OF THE YEAR _____ The definitive guide for harnessing the power of colour to improve your happiness, wellbeing and confidence Wouldn't you like to boost your confidence simply by slipping on 'that' yellow jumper? Or when you get home after a stressful day, be instantly soothed by the restful green of your walls? The colours all around us hold an emotional energy. Applied Colour Psychology specialist, Karen Haller, explains the inherent power of colour; for example, looking closely at the colours we love or those we dislike can bring up deeply buried memories and with them powerful feelings. A revolutionary guide to boosting your wellbeing, The Little Book of Colour puts you firmly in the driver's seat and on the road to changing the colours in your world to revamp your mood and motivation. Illuminating the science, psychology and emotional significance of colour, with key assessments for finding your own true colour compatibility, this book will help you to rediscover meaning in everything you do through the joy of colour. Get

ready to join the colour revolution, and change your life for the better.

In "The Color Code", Hartman defined the characteristics of four different personality types and assigned a color label to each. In this exciting sequel, filled with engaging case histories and simple exercises, he explains how to acquire the "unnatural" traits that complete us and give up true character.

Rather than offer an excuse for people's behavior, this book helps to explain why our perspectives differ from or relate to the viewpoints of others.

Whether you are heading out to an important job interview or a pivotal first date, feeling empowered, confident, and ready are the key elements to success. Internationally renowned psychic and cosmic life coach Dougall Fraser draws from years of experience and observation to create a guide for utilizing the innate strength of colors in conjunction with your individual self. From white to gold to emerald green, every color has qualities that you can consciously draw strength and purpose from in order to support you in achieving your highest goals and dreams. Fraser explores each key color 's unique spiritual and practical qualities, providing insight into its history and shadow sides, real-world personal and professional anecdotes, and exercises and inspiration to evoke each color 's maximum power. His step-by-step plan will help you to integrate color energy into your daily life, from the inside out. Unlock the full magnitude of your soul 's potential by letting its true colors shine bold and bright!

Presents tips and suggestions on decorating one's home to fully express one's needs and personality, with projects and workbook-style explorations.

This book teaches a unique creative process for reframing our perceived "problems" in order to access the myriad potentials they hold. We have seen all manner of self-help books flood the human potential publishing market including the infamous coloring book - a sort of 'creative soothing space' for those craving inner calm. The time is ripe to change the conversation by blending consciousness and creative alchemy for self-healing and transformation. This seven-step book reveals how we can create our own lines to ply our unique colors into from our daily life challenges. With each step, we come to know how to create a full life with awareness while embracing all that is playing out before us: high-lights, low-lights and everything in between. This is that book.

Filled with easy-to-use tools for personal growth, author Miscisin helps readers uncover the power of the True Colors process and find better ways for resolving conflicts, enhancing self-expression and opening lines of personal communication.
