I would suggest picking up the official Vogue 100: A Century of Style book that fully illustrates the exhibition, however, it does retail for £40. Luckily the there is also a cute little 'highlights' book that features fifty key images from the exhibition with texts by curator Robin Muir who tells the story behind each one, and that's only £14.95.

Vogue at 100: A Century of Style | 1854 Photography

From 1892, American Vogue chronicled the life of beautiful people – their clothes, parties, houses and habits – and the magazine was exported for intrigued British readers. In 1916, when the First World War made transatlantic shipments impossible, its proprietor, Condé Nast, authorised a British edition.

Vogue 100, A Century of Style by National Portrait Gallery ...

Vogue 100: A Century of Style. In more than 2,000 issues, British Vogue magazine has acted as a cultural barometer, putting fashion in the context of the larger world in which we live - how we dress, how we entertain, what we eat, listen to, watch, who leads us, excites us and inspires us.

Vogue 100: A Century of Style : Robin Muir : 9781855145610

When Vogue 100: A Century of Style opens at the National Portrait Gallery in February, taking over the whole ground floor, it will be the culmination of five years' research.

In more than 2,000 issues, British Vogue magazine has acted as a cultural barometer, putting fashion in the context of the larger world in which we live - how we dress, how we entertain, what we eat, listen to, watch, who leads us, excites us and inspires us. The century's most talented photographers, illustrators and artists have contributed to it. In Lee Miller it had, unexpectedly, its own war photographer; in Norman Parkinson, Cecil Beaton, David Bailey, Snowdon and Mario Testino the greatest portrait and fashion photographers of their generation; and in Beaton and Irving Penn two giants of twentieth-century photography. From 1892, American Vogue chronicled the life of beautiful people - their clothes, parties, houses and habits - and the magazine was exported for intrigued British readers. In 1916, when the First World War made transatlantic shipments impossible, its proprietor, Condé Nast, authorised a British edition. It was an immediate success, and over the following ten decades of uninterrupted publication continued to mirror its times - the austerity and optimism that followed two world wars, the 'Swinging London' scene of the sixties, the radical seventies, the image-conscious eighties - and in its second century remains at the cutting edge of photography and design. Decade by decade, Vogue 100 : A Century of Style celebrates the greatest moments in fashion, beauty and portrait photography. Illustrated throughout with well-known images, as well as the less familiar and recently rediscovered, the book focuses on the faces that shaped the cultural landscape: from Matisse to Bacon, Freud and

Hirst, from Dietrich to Paltrow, from Fred Astaire to David Beckham, from Lady Diana Cooper to Lady Diana Spencer. It features the fashion designers who defined the century - Dior , Galliano , Balenciaga, Saint Laurent, McQueen - and explores more broadly the changing form of the twentieth - century woman.

Since its founding in 1916, British Vogue has acted as a cultural barometer, placing fashion in the context of art, literature, and politics. The magazine has captured the zeitgeist of each decade--the austerity and optimism that followed two world wars, the swinging London scene of the sixties, the radical seventies, the image-conscious eighties--and continues to be on the cutting edge of design and photography. Decade by decade, Vogue 100 presents the greatest moments in the magazine's history--the photography, illustrations, and essays that recorded the fashion and taste of the time. Complete with essays that detail the rich history of each decade, the book covers the artists, designers, photographers, and writers who shaped the cultural landscape of the 20th century and beyond. With more than 300 photographs of these pivotal figures--from Matisse to Bacon, Freud to Hirst, Dietrich to Paltrow, and Schiaparelli to McQueen--Vogue 100 offers an in-depth look at a century of Britain's fashion, art, and culture.

In more than 2,000 issues, British Vogue magazine has acted as a cultural barometer, putting fashion in the context of the larger world in which we live - how we dress, how we entertain, what we eat, listen to, watch, who leads us, excites us and inspires us. The century's most talented photographers, illustrators and artists have contributed to it. It features the fashion designers who defined the century - Dior, Galliano, Balenciaga, Saint Laurent, McQueen - and explores more broadly the changing form of the twentieth-century woman.

A visual history of the twentieth century, in over 200 audacious, indelible images from VOGUE, published on the magazine's one hundredth anniversary.

Looks at the history of women's fashion advertising in Vogue magazine from the 1890s to the 1990s.

A collection of 100 postcards, each featuring a striking Vogue cover. From early aspirational illustrations to modern celebrity photography, this is a stunning selection of Vogue's most dazzling images. Since its launch in 1892, Vogue has brought sophistication to its readers around the world. Early illustrations from artists including George Wolfe Plank, Olive Tilton, Pierre Brissaud, and Eduardo Garcia Benito saw ethereal figures of fantasy develop into red-lipped flappers, and as colour photographs began to appear, the women transformed again: from Surrealist images by Horst P. Horst to 'women in the life of the moment', captured by Irving Penn. From the fifties onwards, Vogue women became more accessible still, as models and stars like Elizabeth Taylor, Goldie Hawn, Cindy Crawford, and Cher, with their own distinct personalities, appeared through the lenses of Richard Avedon and Snowdon. Vogue covers now are the epitome of style and beauty, with such illustrious photographers as Mario Testino, Annie Leibovitz, Steven Klein, and Patrick Demarchelier photographing stars like Lady Gaga, Kirsten Dunst, and Kate Moss, celebrating female icons across modern culture.

Coinciding with its 100th anniversary, Inside Vogue is Alexandra Shulman's record of her life at the magazine during its centenary year. These diaries are a fascinating glimpse into the realities of her day to day as the longest serving Editor-in-chief in Vogue's history- the emotional and personal strains and successes; highs, lows and fashion shows; and her relationships with famous personalities and creative talents from Kate Moss to Victoria Beckham, Karl Lagerfeld to Sir Philip Green, Alexa Chung to Rihanna, David Bailey to Mario Testino and many more. Entertaining and informative in equal measure, this book is a must-read for women and fashion fans everywhere.

Travel around the globe with Vogue's most exotic fashion, travel, and lifestyle stories. Have fashion, will travel. That's the vision behind Vogue on Location, a journey in itself through the many spectacular voyages that the magazine took over the years. Spanning a century, this remarkable book includes dispatches and travel writing by journalistic icons like Jan Morris, Truman Capote, Lee Miller, Lesley Blanch, and Frances FitzGerald, as well as stunning editorials from legendary photographers like Irving Penn, Henry Clarke, Helmut Newton, Arthur Elgort, Mario Testino, Peter Lindbergh, and Annie Leibovitz. With historic reportage and landmark fashion shoots in far-flung locales like India, Iran, Morocco, Bali, Vogue on Location captures important moments in both travel and fashion history. An essential addition to any Vogue lover's shelf, Vogue on Location is sure to inspire a sense of fantasy and flight.

An updated and expanded edition, covering the past five years of the Met Costume Institute's exhibitions and galas through the lens of Vogue. The Metropolitan Museum of Art Costume Institute's annual fashion exhibition is the most prestigious of its kind, featuring subjects that both reflect the zeitgeist and contribute to its creation. Each exhibition—from 2005's Chanel to 2011's Alexander McQueen: Savage Beauty and 2012's Schiaparelli and Prada: Impossible Conversations—creates a provocative and engaging narrative drawing hundreds of thousands of visitors. This updated edition includes material from 2015's China: Through the Looking Glass, 2018's Heavenly Bodies: Fashion and the Catholic Imagination (the most visited exhibition in the museum's history), and 2019's Camp: Notes on Fashion. The show's opening-night gala, produced in collaboration with Vogue magazine, is regularly referred to as the party of the year, and draws a glamorous A-list crowd, drawing an unrivaled mix of Hollywood fashion. This updated edition of Vogue and the Metropolitan Museum of Art Costume Institute once again invites you into the stunning spectacle that comes when fashion and art meet at The Met.
