Voice of the Customer is deprecated | Microsoft Docs

All of Alexa's voices are female, but you can change her voice to have a US, Canadian, Australian, Indian or English (UK) accent. Changing Alexa's voice in this way will decrease her ability to recognize your voice if you don't speak with that particular accent, though you may find that it still works fine.

A journalist travels the world to collect personal stories about how flood, fire, drought, and rising seas are changing communities.

This new Complete Works marks the completion of the Arden Shakespeare Third Series and includes the complete plays, poems and sonnets, edited by leading international scholars. New to this edition are the 'apocryphal' plays, part-written by Shakespeare: Double Falsehood, Sir Thomas More and King Edward III. The anthology is unique in giving all three extant texts of Hamlet from Shakespeare's time: the first and second Quarto texts of 1603 and 1604-5, and the first Folio text of 1623. With a simple alphabetical arrangement the Complete Works are easy to navigate, and the reader's understanding and enjoyment are enhanced by the general introduction, short individual introductions to each text, a glossary and a bibliography. This handsome volume is ideal for readers keen to explore Shakespeare's work and for anyone building their literary library.

Reviews the commands and statements of the Amiga version of the BASIC programming language, discusses graphics, animation, sound generation, and speech synthesis, and includes advice on working with peripheral equipment and library functions

Master Sibelius music notation software step by step with the most complete how-to guide available.
