The Emily Post Institute, the most trusted brand in etiquette, tackles the latest issues regarding how we interact along with classic etiquette and manners advice in this updated and gorgeously packaged edition. Today's world is in a state of constant change. But one thing remains year after year: the necessity for good etiquette. This 19th edition of Emily Post's Etiquette offers insight and wisdom on a variety of new topics and fresh advice on classic conundrums, including: Social media Living with neighbors Networking and job seeking Office issues Sports and recreation Entertaining at home and celebrations Weddings Invitations Loss, grieving, and condolences Table manners While they offer useful information on the practical—from table settings and introductions to thank-you notes and condolences—the Posts make it clear why good etiquette matters. Etiquette is a sensitive awareness of the feelings of others, they remind us. Ultimately, being considerate, respectful, and honest is what's really important in building positive relationships. "Please" and "thank you" do go a long way, and whether it's a handshake, a hug, or a friend request, it's the underlying sincerity and good intentions behind any action that matter most.

Protect Your Most Valuable Asset-Your IP Your company's intellectual property is its most important asset. If it's not properly protected, your ideas could be stolen, your products could be copied and you could lose your business. Safeguard your IP with this legal advice from the country's most well-respected IP law firm. Experts in patents, trademarks, copyrights and other protection methods reveal their professional strategies for protecting ideas and avoiding devastating lawsuits. Plus, the enclosed CD gets you started preparing your filings for the U.S. Patent and Trademark Office. Learn how to: Choose the best protection strategy for your business-patents, trademarks or copyrights-and prepare filings for each one Identify your IP and look for prior art Avoid unintentionally infringing on the IP rights of other companies and prevent costly litigation Steer clear of the most common IP traps Use nondisclosure agreements, employee agreements and other protective measures Implement patent strategies into your business plan as a revenue source or to gain a foothold in the market Ensure that your ideas are protected and promote your business' success with these valuable IP strategies.
